PRESS COMMUNIQUÉ—RAMPA DISTURBANCES.

Fort St. George, November 18, 1922.

No. 304.—The Government have noticed a newspaper statement suggesting that the reason why little news about the Agency disturbances is reaching the public is that 'the police are being engaged somewhere invariably and beaten back' and also that 'the rebels are increasing and the trouble is spreading to other parts of the Agency.' There is no foundation for these statements.

Since the last communiqué was issued at the end of October there has been no further actual contact with the rebels. They have however returned, as was anticipated, to the Godam area and there is evidence to show that they too have been suffering from the effects of their hard marching and the feverish climate. At one time the band has certainly increased in numbers but the most recent information goes to show that a certain number have lately deserted the Raju and have returned to their homes. Several men who are or have been members of the gang have been captured and among other interesting and apparently reliable information obtained is news that in the ambush referred to in the last press communiqué near Rumavaram, in which a sepoy of the Malabar Special police was slightly wounded, three of the rebels were killed and one seriously wounded. A fresh contingent of the Malabar police has arrived at Narsapatam and an additional wireless set is expected shortly. With these reinforcements it is hoped that offensive action against the rebels will be possible. The weather has continued to be most unfavourable and there is still a good deal of fever among the police forces.

Fort St. George, November 6, 1922.

No. 194.—In the *Fort St. George Gazette*, dated the 7th February 1923, the following notification was published :—

"Attention is invited to the notification in the *Fort St. George Gazette*, dated 6th December 1921, re-publishing the Fundamental Rules made by the Secretary of State in Council under section 96-B of the Government of India Act, to regulate the conditions of service of the civil services in India. These rules have come into force with effect from 1st January 1922.

"2. Pending the issue of the subsidiary rules which the local Government are empowered to frame under the Fundamental Rules, the rules and regulations in force prior to 1st January 1922 will continue to be applied except where they are inconsistent with or have been abrogated by the Fundamental Rules."

(ii) Subsidiary rules under the Fundamental Rules have now been framed by the Governor in Council and the Governor with Ministers; and the Fundamental Rules together with these subsidiary rules are hereby published. These rules, which will take effect from the date of issue of this notification, will apply to all Government servants whose pay is debitable to Provincial revenues or who are under the administrative control of the Madras Government although their pay is debitable to Central revenues.

2. The Superintendent, Government Press, is authorized to comply with requisitions from heads of departments and district officers for additional spare copies of these proceedings.

FUNDAMENTAL RULES AND SUBSIDIARY RULES THERETO FRAMED BY THE GOVERNMENT OF MADRAS.

CHAPTER I.—EXTENT OF APPLICATION.

1. These rules may be called the fundamental rules. They shall come into force with effect from the 1st January 1922.

2. The fundamental rules apply, subject to the provisions of rule 3, to all Government servants whose pay is debitable to civil estimates in India, and to any other class of Government servants in India to which the Secretary of State in Council may by general or special order declare them to be applicable. In relation to services under its administrative control, other than all-India services, a local Government may make rules modifying or replacing any of the fundamental rules; provided that—

(a) no such rule shall adversely affect any person who is in Government service at the time when the fundamental rules come into force, and

(b) any such rule which grants any privilege or concession not admissible under the terms of the fundamental rules, or of the Civil Service Regulations as they stand at the time when the fundamental rules are introduced, shall require the sanction of the Secretary of State in Council.

Note (1) *to Rule* 2.—The following explanation of Rule 2 is given in the memorandum which accompanied the fundamental rules:—

"The fundamental rules have been made of universal applicability, but, in order to avoid the necessity of reproducing in the fundamental rules many special rules, such as the special rules for certain subordinate police services which appear in Chapters XXXIV to XXXVII, local Governments have been given power to make rules replacing any of the fundamental rules, provided that the interests of existing members of services are protected and that the new rules so made give no concessions which are not covered either by the fundamental rules or by the latest version of the Civil Service Regulations. It has been deemed desirable to insert in the rule what practically amounts to a definition of the term "civil service of the Crown" which is used, but not defined, in section 96-B of the Act."

There are no such special rules at present applicable to Madras Presidency which require to be issued as subsidiary rules by the Madras Government.

Note (2) *to Rule* 2.—The Secretary of State has declared that a Government servant paid from civil estimates who is temporarily transferred to service paid from army estimates shall remain subject to the fundamental rules (Government of India, Finance Department, Resolution No. 614-C.S.R., dated 19th June 1922, in G.O. No 564, Finance, dated 23th June 1922).

3. Unless in any case it be otherwise distinctly provided by or under these rules, these rules do not apply to Government servants whose conditions of service are governed by Army or Marine Regulations.

4. The powers specifically granted by these rules to local Governments may be exercised by them in relation to those Government servants only who are under their administrative control. These powers may be exercised by the Governor-General in Council

in respect of all other Government servants, and may be delegated by him, without regard to the limitations of Rule 6 and subject to any conditions which he may think fit to impose, to a Chief Commissioner.

Note to Rule 4.—The term "under their administrative control" in Fundamental Rule 4 includes services controlled by the Governor in Council as the agent of the Governor-General in Council (Government of India letter No. 1079-C S II., dated 29th October 1921).

5. The power to make rules or general orders conferred upon local Governments by any of these rules shall be exercised after consideration by the Governor with his executive council and ministers sitting together, but the rules and orders so made shall be made by the Governor in Council or by the Governor and Ministers, according as the service affected is attached to a department dealing with reserved or a department dealing with transferred subjects. In the case of services performing duties both in a department dealing with reserved and in a department dealing with transferred subjects, the Governor shall decide by which authority the rules shall be made.

6. A local Government may delegate to any of its officers, subject to any conditions which it may think fit to impose, any power conferred upon it by these rules with the following exceptions :—

(*a*) All powers to make rules ;

(*b*) the other powers conferred by Rules 6, 9 (6) (*b*), 44, 45, 85, 119, 121 and 127 (*c*), and by the exception under Rule 30.

7. No powers may be exercised or delegated under these rules except after consultation with the Finance Department. It shall be open to that department to prescribe, by general or special order, cases in which its consent may be presumed to have been given, and to require that its opinion on any matter on which it has been consulted shall be submitted to the Governor by the consulting department.

Note to Rule 7.—No general or special orders have hitherto been issued under this rule.

8. The power of interpreting these rules is reserved to the Governor-General in Council.

Note to Rule 9 (2).—The following audit instructions have been issued under this rule :—

(i) When vacation is prefixed to leave, the event which necessitates the calculation of average pay should be held to have commenced with the vacation itself although an officer may receive during the vacation his pay and not his average pay.

(ii) According to the definition of 'average pay' in this rule, the average is to be taken of the monthly pay earned during the twelve complete months immediately preceding the month in which leave is taken and, for this purpose, the twelve months immediately preceding should be interpreted literally, i.e., if during that period a Government servant has been absent for ten months on leave his average pay should be calculated on the pay earned during the remaining two months. (18) *Month* means a calendar month. In calculating a period expressed in terms of months and days, complete calendar months, irrespective of the number of days in each, should first be calculated and the odd number of days calculated subsequently.

(19) *Officiate.*—A Government servant officiates in a post when he performs the duties of a post on which another person holds a lien. A local Government may, if it thinks fit, appoint a Government servant to officiate in a vacant post on which no other Government servant holds a lien.

The authority which has power to make a substantive appointment to a vacant post may appoint a Government servant to officiate in it.

Subsidiary Rule under Rule 9 (19).

(ii) overseas pay, technical pay, special pay and personal pay, and

(iii) any other emoluments which may be specially classed as pay by the Governor-General in Council.

Note.—Judicial pay and language pay shall be regarded as 'pay' for all purposes—*vide Government of India, Finance Department*, No. 79 E A, dated 25th January 1922, and No 1459 F.E., dated 14th July 1922, in G Os. (iii) Consolidated pay.

(22) *Permanent post* means a post carrying a definite rate of pay sanctioned without limit of time.

(23) *Personal pay* means additional pay granted to a Government servant

(*a*) to save him from a loss of substantive pay due to a revision of pay or to any reduction of his substantive pay otherwise than as a disciplinary measure ; or

(*b*) in exceptional circumstances, on other personal considerations.

(24) *Presumptive pay of a post*, when used with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant performs or discharges the work of responsibility, or is exposed to the unhealthy conditions, in consideration of which the special pay was sanctioned.

(25) *Special pay* means an addition, of the nature of pay, to the emoluments of a post or of a Government servant, granted in consideration of

(29) *Technical pay* means pay granted to a Government servant in consideration of the fact that he has received technical training in Europe.

(30) *Temporary post* means a post carrying a definite rate of pay sanctioned for a limited time.

(31). *Time-scale pay* means pay which, subject to any conditions prescribed in these rules, rises by periodical increments from a minimum to a maximum. It includes the class of pay hitherto known as progressive.

(32) *Travelling allowance* means an allowance granted to a Government servant to cover the expenses which he incurs in travelling in the interests of the public service. It includes allowances granted for the maintenance of conveyances, horses and tents.

Subsidiary Definitions.

(i) A *competent authority* in respect of any officer is, in so far as any power delegated under these rules is concerned, the authority to which such power has been delegated, and, where no such specific delegation has been made, the competent authority is, unless otherwise stated, the authority in whom the power to appoint such officer has been, or is, vested from time to time by the local Government.

(*a*) Service as peon, head peon, chobdar or duffadar;

All other service is superior.

NOTE.—Service as police constable has been declared to be superior.

Part II.

CHAPTER III.—GENERAL CONDITIONS OF SERVICE.

10. Except as provided by this rule, no person may be substantively appointed in India to a permanent post in Government service without a medical certificate of health, which must be affixed to his first pay bill. A local Government may make rules prescribing the form in which medical certificates should be prepared, and the particular medical or other officers by whom they should be signed. It may, in individual cases, dispense with the production of a certificate, and may by general order exempt any specified class of Government servants from the operation of this rule.

Subsidiary Rules under Rule 10.

1. No person except a military pensioner may be appointed (otherwise than as a menial paid from contingencies) to a permanent post (whether pensionable or not) under Government, unless he has produced a certificate of age, health and vaccination in the form appended.

FORM.

I do hereby certify that I have examined A. B., a candidate for employment in the——————— department, and cannot discover that he has any disease, constitutional affection or bodily infirmity except———————.

I do not consider this a disqualification for employment in the office of—

A.B.'s age is according to his own statement (*x*) years and by appearance about (*y*) years.

A.B. has been $\frac{\text{vaccinated}}{\text{revaccinated}}$ or has had smallpox.

2. The certificate prescribed above must ordinarily be signed by a Commissioned Medical Officer, or a Civil Medical Officer of rank not lower than a Civil Surgeon, or District Medical and Sanitary Officer, but in the case of a person whom it is proposed to appoint to a post the maximum pay of which is not more than Rs. 60 and who cannot conveniently be brought before an officer of higher rank, a certificate from an Assistant Surgeon may, at the discretion of the appointing authority, be accepted.

3. A Government servant in whom a defect has been noticed by the medical officer who granted him his first certificate of health may not be transferred from the office to which he was originally appointed to another office the duties of which are different in character except on production of a certificate from a Commissioned Medical Officer or a Civil Surgeon or a District Medical and Sanitary Officer to the effect that the defect will not materially interfere with the discharge of his new duties by the Government servant transferred.

4. The fact that a candidate trained in a Government training institution has produced a certificate of general health before admission into the institution will not relieve him of the necessity of obtaining a fresh certificate before admission into Government service.

5. A candidate from England seeking service in India under Government should be required to declare in his application for employment whether he has at any time been pronounced unfit for Government employment by the Medical Board at the India Office or any other duly-constituted medical authority.

6. Every person selected for appointment as a Judge of the High Court or as Advocate-General, whether resident in India or England at the time of his nomination, should be medically examined as to his physical fitness for service in India before appointment.

7. A person whose age exceeds twenty-five years may not be admitted into the service of Government in superior pensionable service without the sanction of the head of the department. But the Superintendent, Government Press, is authorized to employ persons not exceeding 30 years of age in the technical branches of the Press.

11. Unless in any case it be otherwise distinctly provided, the whole time of a Government servant is at the disposal of the Government which pays him, and he may be employed in any manner required by proper authority, without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from general revenues, from a local fund or from the revenues of an Indian State.

12. (*a*) Two or more Government servants cannot be appointed substantively to the same permanent post at the same time.

(*b*) A Government servant cannot be appointed substantively, except as a temporary measure, to two or more permanent posts at the same time.

(*c*) A Government servant cannot be appointed substantively to a post on which another Government servant holds a lien.

13. If a Government servant is transferred to duty which there is reason to believe will not terminate within three years, and retains no connexion with his substantive post, a local Government may suspend his lien upon that post and fill it substantively, reserving only the right to reverse the arrangements thus made on the return of the Government servant in question. When the Government servant transferred draws pay in a selection grade of a cadre, another Government servant may, subject to the same reservation, be promoted to the selection grade even if no change of duties is involved.

Delegation under Rule 13.

A head of a department is empowered to suspend a lien in respect of any post to which it or an authority subordinate to it can appoint.

14. Unless his lien is formally transferred or suspended by the local Government, a Government servant holding substantively a permanent post retains a lien on that post or on a post of the same character in the same cadre,—

(*a*) subject to the exception in rule 97 while on leave;

(*b*) while on foreign service or holding a temporary post or officiating in another post;

(*c*) during joining-time on transfer to another post, unless he is transferred substantively to a post on lower pay, in which case his lien is transferred to the new post from the date on which he is relieved of his duties in the old post; and

(*d*) while under suspension.

Note.—In the case of a chaplain, the acceptance during leave of a benefice in the United Kingdom is not acceptance of foreign service for the purpose of sub-clause (*b*) above.

Delegation under Rule 14

A head of a department is empowered to transfer a lien provided that it or an authority subordinate to it is authorized to make appointments to both the posts concerned.

15. A Government servant shall not, save in cases of inefficiency or misbehaviour, be transferred substantively to a post carrying less pay than his relative position in the cadre of the service to which he belongs would justify.

16. A Government servant may be required to subscribe to a provident fund, a family pension fund or other similar fund in accordance with such rules as the Secretary of State in Council may by order prescribe.

17. Subject to any exceptions specifically made in these rules, an officer shall begin to draw the pay and allowances attached to his tenure of a post with effect from the date when he assumes the duties of that post, and shall cease to draw them as soon as he ceases to discharge those duties.

Subsidiary rules under Rule 17.

1. Ordinarily the duties of a post shall be assumed and given up by the relieving and relieved Government servants simultaneously at headquarters, both of them being present. They should both sign a certificate indicating the place and the date and hour at which the change in the incumbency of the post has taken place. The transfer should ordinarily not take place on a Sunday.

2. For special recorded reasons of a public nature, the head of the department concerned may direct that the transfer shall be effected at a specified place other than the headquarters, or that the two Government servants concerned shall communicate to one another by post or telegram that they have respectively assumed or given up the duties of a post, with effect from a specified date

3. The following procedure is prescribed when vacation or gazetted holidays are permitted to be prefixed or affixed to leave:—

(i) When they are prefixed to leave, the Government servant proceeding on leave will report before leaving the station, or if for urgent reason the leave is granted during vacation or gazetted holidays, as soon as it is granted, that he will cease to discharge the duties of his post with effect

from the end of the vacation or holidays. The relieving Government servant will then assume the duties of the post at the end of the vacation or holidays in the ordinary course.

(ii) When a vacation or holidays are affixed to leave, the officiating Government servant will be relieved in the ordinary way before the vacation or holidays, and the officer on leave will return at the end of the vacation or holidays but will be regarded as having assumed the duties of the post with effect from the commencement of the vacation or holidays.

4. If a Government servant takes charge of a post in the afternoon, he should, for the purpose of the calculation of pay and allowances, be regarded as having taken charge of it on the subsequent day.

18. After five years' continuous absence from duty, elsewhere than on foreign service in India, whether with or without leave, a Government servant ceases to be in Government employ.

Part III.

CHAPTER IV—PAY.

19. Subject to the provisions of rules made under section 45-A of the Act, and to any restrictions which the Secretary of State in Council may by order impose upon the powers of the Governor-General in Council or the Governor in Council as the case may be, the fixation of pay is within the competence of a local Government; provided that, except in the case of personal pay granted in the circumstances defined in rule 9 (28) (*a*), the pay of a Government servant shall not be so increased as to exceed the pay sanctioned for his post without the sanction of an authority competent to create a post in the same cadre on a rate of pay equal to his pay when increased.

20. When a Government servant is treated as on duty under rule 9 (6) (*b*) above, the local Government may, if it thinks fit, by general or special order reduce the amount of his pay and allowances.

21. *Time-scale pay.*—Rules 22 to 29 inclusive and rule 32 apply to time-scales of pay generally. They do not, however, apply to any time-scale sanctioned by the Secretary of State in Council in so far as they are inconsistent with terms specially so sanctioned for such time-scale.

22. When a Government servant is appointed substantively to a post on a time-scale of pay:—

(*a*) (i) if he has not previously officiated in the post, or

(ii) if he has officiated in it but his present substantive pay exceeds the pay which he last drew in it, he will draw as initial pay the pay of the stage in the time-scale next above his present substantive pay, if any, and will draw increments after the periods usually required; and

(*b*) if he has previously officiated in the post but his present substantive pay does not exceed the pay which he drew when last officiating, he will draw initial pay equal to that pay and will count for increment in that stage the period during which he was drawing the said pay.

23. The holder of a post, the pay of which is changed, shall be treated as if he were transferred to a new post on the new pay; provided that he may at his option retain his old pay until the date on which he has earned his next or any subsequent increment on the old scale, or until he vacates his post or ceases to draw pay on that time-scale. The option once exercised is final.

24. An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from a Government servant by a local Government, or by any authority to whom the local Government may delegate this power under rule 8, if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of an increment, the withholding authority shall state the period for which it is withheld, and whether the postponement shall have the effect of postponing future increments.

Delegation.

The authority competent to appoint a Government servant is empowered to withhold increments from him under this rule.

25. Where an efficiency bar is prescribed in a time-scale, the increment next above the bar shall not be given to a Government servant without the specific sanction of the authority empowered to withhold increments.

Subsidiary Rule under Rule 25.

On each occasion on which an officer is allowed to pass an efficiency bar which had previously been enforced against him, he should come on to the time-scale at such stage as the authority competent to declare the bar removed may fix for him, subject to the pay admissible according to the length of his service

(G.O. No. 862, Public, dated 25th October 1921.)

26. The following provisions prescribe the conditions on which service counts for increments in a time-scale :—

(*a*) All duty in a post to which a time-scale applies counts for increments in that time-scale.

(*b*) Officiating service in another post, service in a temporary post and leave other than extraordinary leave count for increments in the time scale applicable to the post on which the Government servant concerned holds a lien, or would hold a lien had his lien not been suspended under rule 13.

(*c*) If a Government servant's tenure of a temporary post is interrupted by duty in another post or by leave other than extraordinary leave, or by foreign service, such duty, leave or foreign service counts for increments in the time-scale applicable to the temporary post if the Government servant returns to the temporary post.

(*d*) Foreign service counts for increments in the time-scale applicable to—

(i) the post in Government service on which the Government servant concerned holds a lien, or would hold a lien had his lien not been suspended under rule 13, and

(ii) any post to which he may receive officiating promotion under rule 113 below, for the duration of such promotion.

27. An authority may grant a premature increment to a Government servant on a time-scale of pay if it has power to create a post in the same cadre on the same scale of pay.

Note to Rule 27.—In the case of officers promoted to All-India and Imperial services, whose pay in such service is fixed with reference to the pay drawn by them before the promotion in a provincial or other service, cases may arise of an officer drawing less pay for a portion of each year than an officer junior to him subsequently promoted to the same service. The Secretary of State has empowered the Government of India in such cases to grant an advance increment of pay to the senior officer concerned (Government of India No. 544-E A., dated 7th June 1922, in G.O No 435, Finance, dated 26th July 1922).

28. The authority which orders the transfer of a Government servant as a penalty from a higher to a lower grade or post may allow him to draw any pay, not exceeding the maximum of the lower grade or post, which it may think proper.

29. If a Government servant, who has been reduced to a lower grade or post on account of misconduct or inefficiency, is subsequently promoted or reinstated, his previous service in the grade or post from which he was reduced counts for increments unless the authority promoting or reinstating him declares that it shall not so count either in whole or in part.

30. *Pay of officiating Government servants.*—Subject to the provisions of chapter VI (rule 49), a Government servant holding one post substantively, if appointed to officiate in another, may not draw enhanced pay on account of the appointment unless the

officiating appointment involves the assumption of duties or responsibilities of greater importance or of a different character. This condition is not fulfilled if the two posts are on the same scale of pay.

Note.—Two posts are said to be on the same scale of pay when they fall within a cadre or a class in a cadre, such cadre or class having been created in order to fill all posts involving duties of approximately the same character or degree of responsibility in a service or establishment or group of establishments; so that the pay of the holder of any particular post is determined by his position in the cadre or class and not by the fact that he holds that post.

Exception.—In the case of any service, other than an All-India service, which is not organized on a time-scale basis and in which a system of acting promotion from grade to grade is in force at the time of introduction of these fundamental rules, a local Government may waive this condition until such time as the service is next reorganized.

Subsidiary Rule under Rule 30.

A list of cases in which acting allowances have been declared to be admissible will be maintained by the Accountant-General.

Note to Rule 30.—In the case of Ministerial and other establishments in which there are no grades in the sense in which the word is used in the Civil Service Regulations, the exception under Fundamental Rule 30 is intended to cover, where necessary, all cases of the grant of acting allowances from one fixed rate of pay to another without change of duty in other than All-India services (Government of India, Finance Department, No. 738-C.S.R., dated 18th July 1922, in G.O. No. 862, Finance, dated 5th August 1922).

31. Subject to the provisions of rules 30 and 35, a Government servant officiating in a post will draw the presumptive pay of that post. If, however, the presumptive pay of the post, whether permanent or temporary, which he holds substantively is greater than the presumptive pay of the new post, he will draw pay equal to the presumptive pay of his substantive post.

Note.—If the post in which a Government servant officiates is tenable by a Government servant of any one of several grades or classes in a cadre and the fixation of the pay of all such grades or classes is within the competence of the local Government, the local Government may permit the officiating Government servant to draw the pay of any one of such grades or classes.

32. A Government servant officiating in a post on a time-scale draws as initial pay the stage of the time-scale next above his substantive pay, if any; provided that, if he has previously officiated in the post or in a post in the same cadre on the same time-scale, his initial pay shall not be less than the pay which he drew when last officiating. All officiating service in any stage of the time-scale, whether continuous or not, counts for increment in that stage. If the presumptive pay of the Government servant's substantive post at any time exceeds the pay calculated under this rule, he will draw pay equal to that presumptive pay.

Note.—In cases where the fixation of the time-scale of pay is within the competence of the local Government, the local Government may permit the officiating Government servant to draw as initial pay any stage of the time-scale.

Note to Rule 32.—The following audit instructions have been issued under this rule:—

A time-scale will always be attached to a particular cadre or class in a cadre. A time-scale itself may be of recent introduction, whereas the class to which it is attached may have been in existence before the time-scale came into force with a different rate of pay attached to it. An officer may have officiated in the cadre or class prior to the introduction of the new time-scale and may have drawn during the officiating tenure salary equal to a stage or intermediate between two stages in a time-scale. The rule quoted above is to be interpreted as permitting such officiating service to count for increment in the same stage or, if the salary was intermediate between two stages, in the lower stage (Auditor-General's letter No. 51-A/152 AAA., dated 26th January 1922, in G.O. No. 170, Finance, dated 22nd February 1922).

33. When a Government servant officiates in a post the pay of which has been fixed at a rate personal to another Government servant, a local Government may permit him to draw pay at any rate not exceeding the rate so fixed or, if the rate so fixed be a time-scale, not exceeding the lowest stage of that time-scale

Note to Rule 33.—The following audit instruction has been issued under this rule:—Rule 33 of the Fundamental Rules prescribes the initial rate of pay of an officer officiating in a post the pay of which has been fixed at a rate personal to another Government servant. If the pay thus personally fixed is on a time-scale, it is not intended that an officiating incumbent should be debarred from drawing increments in the time-scale according to the ordinary rules (Auditor-General's letter No. 144–A/34–24., dated the 2nd March 1922).

34. If a military officer holding substantively a post in a civil department officiates in a military post, he will draw in the military department the emoluments to which he would have been entitled under military rules had his substantive post been a post under the military department.

35. A local Government may fix the pay of an officiating Government servant at an amount less than that admissible under these rules.

Note to Rule 35.—This rule makes it possible to dispense with charge allowances and the system of holding charge. It also obviates the necessity for special rules fixing definite rates of allowance for definite acting incumbents. There may be other cases also in which the local Government will wish to give less than the full pay, particularly those of Government servants without substantive posts and cases in which they exercise the powers conferred by the exception under rule 30.

36. A local Government may issue general or special orders allowing acting promotions to be made in the place of Government servants who are treated as on duty under rule 9 (6) (*b*).

Subsidiary Rules to Rule 36.

1 In cases where a cadre includes provision for a training reserve, officiating arrangements are inadmissible in the place of Government servants deputed for training

2 In other cases, officiating arrangements are allowed if the period of training extends to one month or more. If it is less than a month no arrangements can be made except under the special sanction of Government.

3 Acting appointments are permissible in order to arrange for engineering officers being relieved from duty under rule (2) of the subsidiary rules under Fundamental Rule 9 (6) (*b*) (iii) to enable them to prepare for examinations

37. *Personal pay.*—Except when the authority sanctioning it orders otherwise, personal pay shall be reduced by any amount by which the recipient's pay may be increased, and shall cease as soon as his pay is increased by an amount equal to his personal pay.

38. *Pay of Official Members of the Indian Legislature.*—A Government servant nominated as a member of the Legislative Assembly or the Council of State shall receive, while serving on the Assembly or the Council, the pay which he would from time to time have drawn had he not been so serving. He shall receive, in addition, such travelling allowance as the Governor-General in Council may fix.

39. *Pay of temporary posts.*—When a temporary post is created which may have to be filled by a person not already in Government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

40. When a temporary post is created which will probably be filled by a person who is already a Government servant, its pay should be fixed by the local Government with due regard to—

(*a*) the character and responsibility of the work to be performed, and

(*b*) the existing pay of Government servants of a status sufficient to warrant their selection for the post.

Subsidiary Rule under Rule 40.

When a subordinate authority intends appointing a person already in Government service to a temporary post which he is empowered to create, he cannot under the above fundamental rule fix the pay of the temporary post created at an amount in excess of the pay of the Government servant, without the sanction of Government

41. A person appointed to a temporary post will draw the pay of that post.

42. *Subsistence grants.*—A local Government may make a subsistence grant to a Government servant in the following circumstances:—

(*a*) To any Government servant other than a military officer while under suspension.

(*b*) To any Government servant appointed in the United Kingdom, up to a maximum of two months, if, on first arrival in India, he is prevented by illness from proceeding to the seat of the Government to which he is attached or to any other station to which he is ordered to proceed direct.

43. The amount of subsistence grant shall be regulated as follows:—

(*a*) In the case of—

(i) a member of the Indian Civil Service, statutory civil servant or a military commissioned officer subject to the civil leave rules, or

(ii) any other Government servant receiving subsistence grant under rule 42 (*b*),

it shall be such as the Secretary of State in Council may by general order prescribe.

(*b*) In the case of any Government servant under suspension, other than a member of the Indian Civil Service or a military commissioned officer subject to the civil leave rules, it shall be such as the suspending authority may direct, but shall in no case exceed one-fourth of the pay of the suspended Government servant.

Note to Rule 43.—The Secretary of State in Council has been pleased to issue the following general orders under Fundamental Rule 43 (*a*):—

(1) The subsistence grant of a member of the Indian Civil Service, a statutory civil servant or a military commissioned officer subject to the civil leave rules shall be as shown in the following table:—

Period spent by the Government servant on duty in India.	Amount of the grant.	
	If drawn out of Asia.	If drawn in Asia.
	£	Rs.
Not more than eight years	33⅓ or the amount of leave salary to which he would be entitled if he were on leave on half average pay, whatever is less	333⅓
More than eight, but not more than twelve years.	42⅔	424⅔
More than twelve, but not more than sixteen years	65⅓	433⅓
More than sixteen years	66⅔	666

(2) The subsistence grant of a Government servant appointed in the United Kingdom, other than the Government servants mentioned in paragraph (1) above, who, on first arrival in India, is prevented by illness from proceeding to the seat of Government to which he is attached or to any other station to which he is ordered to proceed direct, shall be Rs. 250 or the pay

to which he will be entitled when he takes over charge of his duties, whichever is less [Government of India, Finance Department, Resolution No. 421-C S R., dated 10th May 1922, in G.O. No. 504, Finance, dated 31st May 1922].

CHAPTER V.—ADDITIONS TO PAY.

44. *Compensatory allowances.*—Subject to any restrictions which the Secretary of State in Council may by order impose upon the powers of the Governor-General in Council or the Governor in Council, as the case may be, and to the general rule that the amount of a compensatory allowance should be so regulated that the allowance is not on the whole a source of profit to the recipient, a local Government may grant such allowances to any Government servant under its control and may make rules prescribing their amounts and the conditions under which they may be drawn.

Note.—Compensatory allowance does not include the grant of a free passage to or from the United Kingdom, which requires the general or special sanction of the Secretary of State in Council; nor, for the purpose of this rule, does it include a sumptuary allowance.

Subsidiary Rules under Rule 44.

1. Compensatory allowances include—

(*a*) House-rent allowances;

(*b*) Tentage allowances;

(*c*) Local allowances granted on account of the expensiveness or unattractiveness of a locality;

(*d*) Other miscellaneous allowances, such as uniform allowances, overtime allowances, ration allowances, etc.;

(*e*) Travelling allowances.

2. A compensatory allowance attached to a post will be drawn in full by a Government servant performing the duties of the post.

3. *House-rent allowances.*—A house-rent allowance attached to a post will be paid to the Government servant officiating in the post, provided that, subject to mutual arrangement, it may continue to be paid to the Government servant for whom he is officiating for a maximum period of four months.

4. *Tentage allowances.*—(*a*) A Government servant who is appointed or transferred to a post in which the maintenance of a private equipment of tents is prescribed, is required to provide himself with the prescribed equipment within three months, during which period tentage may be drawn without the certificate mentioned in clause (*c*) below.

(*b*) A Government servant who has an equipment on one scale and who is appointed to officiate in a post for which equipment on a higher scale is prescribed, is allowed the option of maintaining only the lower scale of tents for the first six months of his officiating period, in which case he shall draw tentage only at the lower rate. If he maintains the equipment by the higher scale, he shall be entitled to draw tentage at the higher rate.

(*c*) A Government servant on leave or on transfer to other duty for which tents are not required, such leave or transfer being not expected to last for a period exceeding three months, may continue to draw his tentage allowance up to a maximum period of three months, if the equipment of tents in respect of which the allowance is drawn is actually maintained.

(*d*) The tentage allowance drawn by a Government servant during joining time on transfer will be the allowance prescribed for the equipment of tents which he actually maintained in the post from which he is transferred.

(*e*) Fixed tentage allowance is paid only on a certificate of the Government servant that he is in possession of the prescribed equipment of tents.

5. *Local and Miscellaneous allowances.*—The competent authority may, after recording his reasons, which should be communicated to the Audit department, permit a Government servant proceeding on leave, or relieved temporarily for preparing for or attending an examination, or transferred temporarily from a post to which an allowance coming under clauses (*c*) and (*d*) of rule 1 is attached, to draw the allowance for a period not exceeding four months, without prejudice to the Government servant officiating for him also drawing it. The competent authority, in arriving at a decision, will be guided by considerations such as the following:—

whether the Government servant is expected to return to a post to which a similar allowance is attached,

whether he will continue to be involved during leave, etc., in the expenses to meet which the compensatory allowance was granted.

In the absence of such considerations the allowance cannot be drawn.

Note.—The competent authority under this rule is the authority who sanctions the leave, relief, or transfer.

6. When a Government servant is transferred from a post in which he drawn a compensatory allowance (other than a travelling or tentage allowance) to a post to which a compensatory allowance of a like nature is attached, he may draw the allowance during joining time, provided that, if the rates of the allowances differ, he may draw the lower rate only.

7. Travelling allowances have been dealt with separately.

45. *Provision of Residences.*—When Government supplies a Government servant with a residence leased, acquired or constructed at Government expense, the following conditions shall be observed :—

(*a*) The scale of accommodation supplied shall not exceed that which is appropriate to the status of the occupant.

(*b*) Save in the circumstances mentioned in clause (*e*) below, the occupant shall pay rent for the residence, and such rent shall not exceed the standard rent which the local Government may fix for the residence, or 10 per cent of the occupant's emoluments, whichever is less. Emoluments, for the purpose of this rule, include compensatory allowances other than travelling allowances, whether drawn from general revenues or from a local fund, and pension, if the occupant is in receipt of pension.

Note.—The standard rent shall be calculated as follows :—

(*i*) In the case of leased residences, it shall be the sum paid to the lessor, plus such allowance for maintenance and repairs, if these are a charge on the local Government, as the latter may fix.

(*ii*) In the case of residences acquired or constructed by Government, it shall be calculated on the cost of acquiring or constructing the residence, including any capital expenditure incurred after acquisition or construction, together with the cost or assessed value of the site, and shall be a percentage of its cost equal to * *such rate of interest as may from time to time be fixed by the Secretary of State in Council*, plus such allowance for maintenance and repairs as the local Government may fix

Government of India's orders.—The Secretary of State in Council has prescribed as the rate of interest to be applied in calculating the rent of a house which may be occupied for the first time after the 19th June 1922 † the rate which is in force, as the standard of return from productive irrigation works, at the time of the acquisition or construction of the house. He has also decided that the basic interest rate on which rents for houses previously occupied have been calculated may remain unaltered unless in any cases they are higher than that now prescribed for houses occupied hereafter.

† These rates are as follows :—

	Per cent.
(*a*) Before 1st April 1919 ..	4
(*b*) From 1st April 1919 to 31st July 1921	5
(*c*) From 1st August 1921 ..	6

For the purpose of assessing rent, the Government of India have decided that the time of construction should be taken as the date on which the accounts of the estimate for the construction of the residence are closed.

[Government of India, Finance Department, letter No. 1061-E.B., dated 4th September 1924.]

(*c*) Nothing contained in clause (*b*) above shall operate to prevent a local Government from—

(i) taking in any particular area a uniform percentage of emoluments, not exceeding 10 per cent, as rent from each Government servant supplied with a residence ; provided that, if the uniform percentage taken is less than 10 per cent, the total amount of the standard rent fixed for all residences supplied in that area is thereby recovered ; or

(ii) taking from any Government servant, who is in receipt of a compensatory allowance granted on account of dearness of living, a rent in excess of 10 per cent of his emoluments.

* The portion in italics is the amendment made by the Secretary of State—vide Government of India, Finance Department, letter No. 1061-E.B., dated 4th September 1924.

(*d*) A local Government may make rules prescribing the principles on which rent shall be assessed in the case of Government servants who are supplied with residences in more than one station, or who, owing to the nature of their duties, occupy Government residences for a part only of the year; provided that—

(i) a Government servant, to whom more residences than one are allotted, shall not pay less rent for the total period of occupation in any one year than 10 per cent of his emoluments for that period, or the total of the standard rents for the period of occupation of such house, whichever is less; and

(ii) a Government servant to whom a Government residence is allotted for a part only of the year shall not pay less rent than the amount calculated on that residence under clause (*b*) above for the period of occupation.

(*e*) A local Government may, in very special circumstances for reasons which should be recorded, waive or reduce the amount of rent to be recovered, or grant rent-free accommodation to Government servants who are required to occupy particular houses in order to ensure the proper performance of their duties.

(*f*) The limit of 10 per cent prescribed under clause (*b*) and the uniform percentage of emoluments mentioned in clause (*c*) above have reference to the rent of the building only. Adequate additional rent should be charged for furniture, water-supply and sanitary, heating and electric installations, if these are supplied. Such charges should not be foregone, except in very special circumstances, for reasons which should be recorded.

Note (1) *to Rule 45.*—The administrative instructions for carrying out the provisions of the above rule will issue separately.

46 *Honoraria.*—A Government servant may be granted an honorarium from general revenues, or permitted to receive an honorarium or a recurring or non-recurring fee from a private person or body, or from a public body, including a body administering a local fund, or from an Indian State, in return for work performed either within or outside the course of his ordinary duties, when the work is of such exceptional merit or of such an arduous or peculiar nature as to justify a special reward. The reasons for the grant of the honorarium or fee shall be recorded in writing by the sanctioning authority.

47. A local Government may make rules fixing the amounts which may be sanctioned as honoraria or fees by the authorities subordinate to it and specifying the conditions under which they may be granted or accepted.

Note.—This rule does not apply to the acceptance of honoraria or fees by medical officers in civil employ, which shall be governed by such orders as the Secretary of State in Council may issue in this behalf.

Subsidiary Rules under Rule 47.

1. Subject to the conditions prescribed in subsidiary rules 2 to 6, a competent authority (vide subsidiary rule 9 *infra*) may sanction the grant of an honorarium from general revenues to a Government servant under its administrative control or the acceptance by such a Government servant of an honorarium or a fee from a source other than general revenues. No Government servant may accept an honorarium or fee without such sanction.

2. The amount of an honorarium or fee must be fixed with due regard to the value of the service in return for which it is given.

3. When the service rendered falls within the scope of the ordinary duties of the Government servant performing it, the test of exceptional merit prescribed in Fundamental Rule 46 must be very strictly applied.

4. Sanction must not be given to the acceptance of an honorarium or fee from a source other than general revenues unless the work for which it is offered has been undertaken with the knowledge and sanction of a competent authority, who must certify that its performance will involve no detriment to the official duties of the Government servant performing it.

5. When an honorarium or fee is paid from a source other than general revenues for work done by a Government servant during time which would otherwise be spent in the performance of official duties, the honorarium or fee must be credited to general revenues; provided that a competent authority may, for special reasons which should be recorded, direct that the whole or any part of it may be paid to the Government servant.

6. When a Government servant of an educational service is permitted to receive fees for private tuition, the financial limits of the powers of sanction accorded to a competent authority shall be considered to apply to the total amount of fees to be accepted by such Government servant during any particular scholastic term or vacation.

7. No Government servant may act as an arbitrator in any case which is likely to come before him in any shape by virtue of any judicial or executive post which he may be holding.

8. A Government servant called upon by a Court of Law to act as a commission to give evidence on technical matters may comply with the request, provided that the case is not of such a nature as will be likely to come before him in the course of his official duties, and may accept such fees as are fixed by the Court.

49. A local Government may appoint one Government servant to hold substantively, as a temporary measure, or to officiate in two or more independent posts at one time. In such cases his pay is regulated as follows:—

(*a*) The highest pay, to which he would be entitled if his appointment to one of the posts stood alone, may be drawn on account of his tenure of that post;

(*b*) for each other post he draws such reasonable pay, in no case exceeding half the presumptive pay of the post, as the local Government may fix; and

(*c*) if a compensatory allowance is attached to one or more of the posts, he draws such compensatory allowance as the local Government may fix, provided that such allowance shall not exceed the total of the compensatory allowances attached to all the posts.

Subsidiary Rules under Rule 49.

1. A Government servant appointed temporarily to hold or officiate in two or more posts at one time may, in addition to the pay admissible under clause (*a*) of the rule, be permitted to draw without the special sanction of the Government additional pay in respect of the other post or posts calculated at one-fifth of his substantive pay. If a compensatory allowance is attached to one of the posts, he may draw it in full. If compensatory allowances are attached to more than one of the posts, he may draw only the larger allowance.

2. A Government servant appointed to discharge only the current duties of an additional post may draw, in addition to the pay and the compensatory allowances, if any, admissible in his regular post, one-tenth of his substantive pay.

3. The competent authority who appoints a Government servant to hold or officiate in a second post in addition to his own will declare whether he holds full charge of the additional post or is appointed merely to discharge the current duties.

4. No additional pay is admissible under the above rules unless the previous incumbent of the additional post held has actually given over charge thereof under orders of competent authority.

Delegation under rule 49.

The head of a department is empowered to appoint a Government servant to hold temporarily, or to officiate in, more than one post, provided that it is authorized to appoint permanently to each of the posts concerned.

CHAPTER VII.—DEPUTATION OUT OF INDIA.

50. Unless the Secretary of State in Council by general or special order otherwise direct, no deputation of a Government servant out of India shall be sanctioned without previous reference to the Secretary of State in Council.

51. When a Government servant is with proper sanction so deputed, his pay and allowances shall, unless the Secretary of State in Council in any particular case otherwise direct, be regulated by the Governor-General in Council as follows:—

(*a*) If the deputation is declared by the Governor-General in Council to be under *quasi*-European conditions, the Government servant deputed shall be granted not more than two-thirds of the pay which he would draw if he were on duty in India. The Governor-General in Council may relax the limit of two-thirds in the case of a Government servant of Indian domicile. A compensatory allowance also may be granted by the Secretary of State in Council if the deputation is to Europe or America, or in other cases by the Governor-General in Council.

(*b*) If the deputation is declared not to be under *quasi*-European conditions, the emoluments of the Government servant deputed shall be determined by the Governor-General in Council with due regard to the provisions of rule 40 above as though a temporary post had been created.

Note to Rules 50 *and* 51.—In connexion with Fundamental Rules 50 and 51, the Secretary of State in Council has directed that the following rule contained in Article 85 of the Civil Service Regulations shall remain in force :—

The Government of India may sanction the deputation of an officer of Government, whether paid from general revenues or a local fund or in foreign service, on duty outside India otherwise than in Europe or America for not more than 12 months at the cost of Indian revenues—Government of India, Finance Department, Resolution No. 533–C.S.R., dated 22nd June 1922, in G.O. No. 589, Finance, dated 6th July 1923.

CHAPTER VIII.—DISMISSAL AND SUSPENSION.

52. The pay and allowances of a Government servant who is dismissed from service cease from the date of such dismissal.

53. A Government servant under suspension is entitled to the following payments :—

(*a*) If a military officer in civil employ, to the pay and allowances of his military rank.

54. When the suspension of a Government servant as a penalty for misconduct is, upon reconsideration or appeal, held to have been unjustifiable or not wholly justifiable ; or

when a Government servant dismissed or suspended pending enquiry into alleged misconduct is, upon reconsideration or appeal, reinstated—

the revising or appellate authority may grant to him for the period of his absence from duty—

(*a*) if he is honourably acquitted, the full pay to which he would have been entitled if he had not been dismissed or suspended and, by an order to be separately recorded, any allowance of which he was in receipt prior to his dismissal or suspension ; or

(*b*) if otherwise, such proportion of such pay and allowances as the revising or appellate authority may prescribe.

In a case falling under clause (*a*), the period of suspension or dismissal will be treated as a period spent on duty. In a case falling under clause (*b*), it will not be treated as a period spent on duty unless the revising or appellate authority so direct.

Subsidiary Rules under Rule 54.

(1) A Government servant who has been committed to prison either for debt or on a criminal charge should be considered as under suspension from the date of his arrest, and therefore entitled only to subsistence grant under rule 53 until the termination of the proceedings against him, when, if he is not dismissed, an adjustment of his pay and allowances should be made according to the conditions and terms prescribed in rule 54, the full amount being given only in the event of the Government servant being considered to be acquitted of blame, or (if the imprisonment was for debt) of its being proved that the Government servant's liability arose from circumstances beyond his control.

(2) The amount of subsistence grant, if any, already drawn, should be deducted from the pay and allowances or proportion of them which may be granted under rule 54.

(3) The grant of pay and allowances or a proportion of them under Fundamental Rule 54 does not cancel any officiating arrangements that may have been in force while the Government servant was under suspension or dismissal.

(4) In deciding whether any pay and allowance should be granted under rule 54 to a Government servant in temporary employ, the period for which the temporary post has been sanctioned should be taken into consideration.

55. Leave may not be granted to a Government servant under suspension.

CHAPTER IX.—COMPULSORY RETIREMENT AND RESIGNATION OF OFFICE.

56. (a) Except as otherwise provided in this rule, a Government servant, other than a ministerial servant, is required to retire on attaining the age of 55 years. He may be retained in service after that age with the sanction of the local Government on public grounds, which must be recorded in writing, but he must not be retained after the age of 60 years except in very special circumstances.

Delegation under Rule 56 (a).

The head of a department is empowered to retain in service a Government servant, other than a ministerial servant, after he attains the age of 55 years and up to the age of 60 years, provided that he or an authority subordinate to him is competent to appoint permanently to the post held by the Government servant concerned. Extensions should not be granted for more than one year at a time.

(b) A ministerial servant may be required to retire at the age of 55 years, but should ordinarily be retained in service, if he continues efficient, up to the age of 60 years. He must not be retained after that age except in very special circumstances, which must be recorded in writing, and with the sanction of the local Government.

Delegation under Rule 56 (b).

The authority competent to appoint permanently to the post held by a ministerial Government servant who has attained the age of 55 years is empowered to retire or retain him in service up to the age of 60 years, provided that extensions are not granted for more than one year at a time.

(c) The following are special rules applicable to particular services:—

(i) A member of the Indian Civil Service, who is not a judge of a Chief Court, must retire after 55 years' service counted from the date of his arrival in India; provided that, if he has held his post for less than five years, he may, with the sanction of the Governor-General in Council, be permitted to retain it until he has held it for that period.

(ii) A member of the Indian Civil Service, who is a judge of a Chief Court, must retire on attaining the age of 60 years.

(iii) In the case of the officers specified in rule 98 below, and of the Legal Remembrancer and Secretary to the Legislative Council of the Punjab if he fulfils the conditions prescribed in that rule, the age-limit is 60 years.

(iv) A civil engineer in the Public Works or Railway Department must retire on reaching the age of 55 years, and may be required by the Governor-General in Council to retire on reaching the age of 50 years if he has not attained to the rank of Superintending Engineer; provided that, in the case of Chief Engineers, the local Government may in special circumstances, which should be recorded in writing, grant an extension of service not exceeding three months.

(v) A civilian in the Superior Railway Revenue Establishment or the Superior Establishment of the Telegraph Department must retire on reaching the age of 55 years.

(vi) The following provisions are applicable to military officers in civil employ:—

(1) Officers of the Indian Medical Service must retire from civil employ at the age of 55 years, provided that—

1. A Director-General of the Indian Medical Service may remain in service up to the age of 60 years;

2. Surgeons-General and Inspectors-General of Civil Hospitals may remain in civil employ up to the age of 57 years; and

3. Lieutenant-Colonels, specially selected for increased pay, who entered the service before the 1st April 1911, may remain in civil employ until they complete 30 years' service.

(2) Military officers in the Survey of India Department cease to be in civil employ on reaching the age of 55 years unless granted an extension by the Secretary of State in Council.

(3) Military commissioned officers serving in the Public Works or Railway Department cease to be in civil employ under the same conditions as govern the retirement of civil engineers of those departments. In addition, an officer of the Royal Engineers must retire on attaining the rank of General Officer; provided that, if he is holding a post of Chief Engineer, he may, with the sanction of the Governor-General in Council, be permitted to complete a five years' tenure of the post, unless in the meantime he is required to vacate office under some other regulation.

(4) Military officers serving in any department, other than those mentioned in (1) to (3) of this sub-clause, cease to be in civil employ on reaching the age of 55 years; but any such officer, being a Military Commissioned Officer and having held his post for less than five years, may for special reasons, with the sanction of the Governor-General in Council, be permitted to retain it until he has held it for that period.

Note 1.—This rule does not apply to a Government servant who is appointed to any post by His Majesty the King-Emperor of India, or by the Governor-General in Council with His Majesty's approval.

Note 2.—For the purpose of sub-clauses (i), (vi) (3) and (vi) (4) of clause (c) of this rule officiating tenure of a post shall be included in calculating the period of five years.

57. The resignation of his office by a member of the Executive Council of the Governor-General, of a Governor or a Lieutenant-Governor shall take effect from the date following that of his embarkation at any port in India other than Aden, or from the date of expiry of five years' tenure of office, or from the date of his successor's entry upon office, whichever of these dates be earliest. His five years' tenure shall begin from the date on which he first entered upon office, whether as a temporary member appointed in India or after the issue of His Majesty's warrant of appointment, but shall not include any period, other than a period spent on leave, during which he draws less than full pay.

Part IV.

CHAPTER X.—LEAVE.

(Section I.—Extent of Application.)

58. Unless in any case it be otherwise distinctly provided in section VI of this chapter, the rules in sections I to V of this chapter apply to all Government servants to whom the Fundamental Rules as a whole apply; provided that it shall be open to any person who is in Government service at the time when the Fundamental Rules come into force to exercise the option of remaining under the leave rules to which he has hitherto been subject. The intention of exercising this option must be specifically declared to the local Government or the Governor-General in Council, as the case may be, within six months of the date on which the Fundamental Rules come into force or, if the Government servant be on leave on that date, within six months of his return from leave. Every Government servant who does not make such a declaration will become subject to the rules in sections I to V of this chapter. The option once exercised is final.

Note.—A similar option may be exercised by the Government servants mentioned in rules 90 and 100.

59. Leave is earned under sections I to V of this chapter by a Government servant holding substantively a permanent post in civil employ, or holding a lien on such a post.

60. Leave is earned by duty only. For the purpose of this rule a period spent in foreign service counts as duty if contribution towards leave-salary is paid on account of such period.

61. A military commissioned officer appointed to a post in civil employ becomes subject to these rules under the following conditions:—

(*a*) (i) An officer subject, before such appointment, to the Indian Army Leave Rules, becomes subject to these rules from the date of first substantive appointment to a post in civil employ or from the date of completion of three years' continuous officiating duty in such service, whichever is earlier. In reckoning continuous duty—

(1) any period of foreign service, to which transfer was made direct from a civil post, may be included, and

(2) leave does not operate to break continuity unless the officer has to revert to military employ in order to obtain such leave.

Note.—This rule also applies to commissioned officers transferred from the Army Veterinary Department to the Civil Veterinary Department.

(ii) A continuous service officer of the Royal Engineers becomes subject to these rules from the date of his entry into permanent civil employ or from the date of his election for continuous Indian service, whichever is later.

(iii) A non-continuous service officer of the Royal Engineers, if he elects for these rules, becomes subject to them from the date of his entry into permanent civil employ or from the date of completion of five years' Indian service, whichever is later.

(*b*) Transfer from military service to a post in civil employ, the tenure of which is limited to a definite period, does not entitle an officer to leave under these rules.

62. Except as provided in rule 61, a military officer in civil employ remains subject to military leave rules.

63. When a military commissioned officer subject to these rules is temporarily transferred to military duty, but retains a lien on his post in civil employ, the period of his absence counts as duty for leave under these rules.

64. Unless in any case it be otherwise expressly provided by or under these rules, a Government servant transferred to a service or post to which these rules apply from a service or post to which they do not apply is not ordinarily entitled to leave under these rules in respect of duty performed before such transfer; but a Government servant reverting from duty as Judge of a High Court, or as one of the officers specified in rule 98 below, may count such duty for leave as though it were duty performed in a vacation department; all leave taken during the service concerned being treated as taken under these rules.

65. (*a*) A Government servant who resigns the public service or is discharged from it on reduction of establishment cannot, if re-employed after an interval, count his former service towards leave without the permission of the authority sanctioning the re-employment.

(*b*) A Government servant who is dismissed or removed from the public service, but is reinstated on appeal or revision, is entitled to count his former service for leave, unless the appellate or reviewing authority declares that he shall not so count it in whole or in part.

(SECTION II.—GENERAL CONDITIONS).

66. A local Government may make rules specifying the authorities by whom leave, other than special disability leave under rule 83, may be granted.

Subsidiary Rules under Rule 66.

1. In the case of gazetted officers appointed by the High Court, the Chief Justice may grant leave, other than special disability leave.

2. Other heads of departments may grant leave, other than special disability leave, to gazetted officers under their control, only when no extra expense is involved thereby. Where additional expense to Government is involved, application must be made to Government in the department concerned.

3. In the case of non-gazetted officers, any leave, other than special disability leave, may be granted by the competent authority.

67. Leave cannot be claimed as of right. When the exigencies of the public service so require, discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

Subsidiary Rule under Rule 67.

An officer accepting permanent appointment to any of the undermentioned offices does so subject to the understanding that he will not apply for leave of long duration during the two years following such appointment except under special and unavoidable circumstances:—

Any post in the Indian Civil Service above that of Collector.
Inspector-General of Police.
Surgeon-General.
Director of Public Instruction.
Collector of Madras
Chief Judge, Court of Small Causes.
Secretary to the Board of Revenue.
Under Secretary to Government.

68. Leave ordinarily begins on the day on which transfer of charge is effected and ends on the day preceding that on which charge is resumed. When joining time is allowed to a Government

servant returning from leave out of India, the last day of his leave is the day before the arrival of the vessel in which he returns at her moorings or anchorage in the port of debarkation. A local Government may, however, make rules defining the circumstances in, and the conditions on, which Sundays or other recognized holidays may be prefixed to leave or affixed to leave or joining time.

Subsidiary Rules under Rule 68.

1. When the day immediately preceding the day on which a Government servant's leave begins or immediately following the day on which his leave or joining time expires is a holiday or one of a series of holidays, the Government servant may leave his station at the close of the day before, or return to it on the day following such holiday or series of holidays; provided that—

(*a*) his transfer or assumption of charge does not involve the handing or taking over of securities or of moneys other than a permanent advance;

(*b*) his early departure does not entail a correspondingly early transfer from another station of a Government servant to perform his duties; and

(*c*) the delay in his return does not involve a corresponding delay in the transfer to another station of the Government servant who was performing his duties during his absence or in the discharge from Government service of a person temporarily appointed to it.

2. On condition that the departing Government servant remains responsible for the moneys in his charge the head of the department concerned may declare that proviso (*a*) under rule 1 is not applicable to any particular case.

3. Unless the authority sanctioning the leave or transfer in any case otherwise direct—

(*a*) if holidays are prefixed to leave, the leave and any consequent re-arrangement of pay and allowances take effect from the first day after the holidays, and

(*b*) if holidays are affixed to leave or joining time, the leave or joining time is treated as having terminated on, and any consequent re-arrangement of pay and allowances takes effect from, the day on which the leave or joining time would have ended if holidays had not been affixed.

Explanation 1.—In deciding whether the absence of a Government servant during holidays involves the transfer of a Government servant from another station for the purpose of this rule, account should be taken only of the substitute who takes the place of the absent Government servant, not of all the Government servants in the chain of arrangements arising from one Government servant's absence on leave.

Explanation 2.—The term 'holidays' used in rules 1 and 3 above should be held to mean—

(*a*) a holiday prescribed or notified by or under section 25 of the Negotiable Instruments Act, 1881, and

(*b*) with reference to any particular public office, a day on which such office is ordered, by notification of Government in the Gazette, to be closed for the transaction of public business without reserve or qualification.

The term does not include a vacation nor such local holidays as may be granted at the discretion of heads of offices, nor such merely permissible or discretionary holidays as the last Saturday of each month.

69. A Government servant on leave may not take any service or accept any employment without obtaining the previous sanction of

(*a*) the Secretary of State, if the Government servant is residing in Europe, North Africa, America, or the West Indies; and

(*b*) the Governor-General in Council, or any lower authority empowered to appoint him, if he is residing elsewhere.

Note.—This rule does not apply to casual literary work, or to service as an examiner or similar employment; nor does it apply to acceptance of foreign service, which is governed by rule 110.

70. All orders recalling a Government servant to duty before the expiry of his leave should state whether the return to duty is

optional or compulsory. If the return is optional, the Government servant is entitled to no concession. If it is compulsory, he is entitled—

(*a*) If the leave from which he is recalled is out of India—

(i) to receive a free passage to India ;

(ii) to count the time spent on the voyage to India as duty for purposes of calculating leave ; and

(iii) to receive leave-salary during the voyage to India, and for the period from the date of landing in India to the date of joining his post to be paid leave-salary at the same rate at which he would have drawn it had he not been recalled, but returned in the ordinary course on the termination of his leave.

(*b*) If the leave from which he is recalled is in India, to be treated as on duty from the date on which he starts for the station to which he is ordered, and to draw travelling allowance for the journey, but to draw until he joins his post leave-salary only.

71. No Government servant who has been granted leave on medical certificate may return to duty without first producing a medical certificate of fitness in such form as the Governor-General in-Council, in the case of a Government servant on leave in Asia, or the Secretary of State in Council, in the case of a Government servant on leave elsewhere, may by order prescribe. A local Government may require a similar certificate in the case of any Government servant who has been granted leave for reasons of health, even though such leave was not actually granted on a medical certificate.

Note 1 to Rule 71.—A Government servant who has taken leave on medical certificate out of Asia elsewhere than in Europe, North Africa, America or the West Indies, may not return to duty until he has produced a medical certificate of fitness from two medical practitioners in the following form :—

"We certify that we have carefully examined C.D. of the _____ Department and find that he is in good health and fit to return to his duty in India."

Date_____

Place_____

If the certificate be signed by foreigners, it should be attested by consular or other authority as bearing the signatures of qualified medical practitioners (vide Government of India, Finance Department, No. 197-C.S.R., dated 6th March 1922, in G.O. No. 230, Finance, dated 16th March 1922).

Note 2 to Rule 71.—A Government servant who has taken leave in Asia on medical certificate may not return to duty until he has produced a medical certificate of fitness in the following form:—

"I, A.B., _____ do hereby certify that I have examined C.D. of the _____ Department and that I consider him fit to resume his duties in Government service."

If the Government servant on leave is a gazetted officer, such certificate should be signed by a commissioned medical officer or a medical officer in charge of a civil station. If the Government servant on leave is not a gazetted officer, the authority under which the Government servant will be employed on return from leave may, in its discretion, accept a certificate signed by any registered medical practitioner (vide Government of India, Finance Department, No. 1288-C.S.R., dated 10th January 1922).

Delegation under Rule 71.

The authority by whom leave has been granted to a Government servant has power to require the submission of a medical certificate of fitness before he returns from leave.

72. Unless he is permitted to do so by the authority which granted his leave, a Government servant on leave may not return to duty more than fourteen days before the expiry of the period of leave granted to him.

Subsidiary Rules under Rule 72.

1. A Government servant desiring to return to duty within the period of his leave should communicate his desire to the authority which sanctioned the leave sufficiently early to enable suitable arrangements to be made.

2. A Government servant returning to duty at a time other than that fixed for him by the authority which granted him leave has no claim to be appointed to any particular post and is liable to be kept on subsistence grant until a suitable vacancy occurs.

3 No formal cancellation of the unexpired portion of leave is necessary when a Government servant returns to duty before the expiry of his leave.

73. A Government servant who remains absent after the end of his leave is entitled to no leave-salary for the period of such absence, and that period will be debited against his leave account as though it were leave on half average pay, unless his leave is extended by the local Government. Wilful absence from duty after the expiry of leave may be treated as misbehaviour for the purpose of rule 15.

Delegation under Rule 73.

The authority by whom leave has been granted to a Government servant who remains absent after the end of his leave is authorized to extend his leave provided that the grant of leave for the total period of absence is within his powers

74. (*a*) Subject to any instructions which may be given by the Governor-General in Council in connexion with the control of the issue of money from treasuries or by the Auditor-General in India in order to secure efficiency and uniformity of audit, a local Government may make rules prescribing the procedure to be followed in India—

(i) in making application for leave and for permission to return from leave,

(ii) in granting leave,

(iii) in the payment of leave-salary, and

(iv) in the maintenance of records of service.

(*b*) The procedure to be followed elsewhere than in India will be prescribed by the Governor-General in Council.

Note.—The subsidiary rules framed under this rule will be found in Annexure II.

(SECTION III.—SPECIAL AND ORDINARY LEAVE RULES).

75. The conditions governing admission to the benefits of the special leave rules shall be such as the Secretary of State in Council may by general order prescribe. All Government servants not so admitted shall be subject to the ordinary leave rules.

Note to Rule 75.—The general criterion of eligibility for the concessions given by the special leave rules is under consideration, but the Government of India have decided, with the approval of the Secretary of State, that all officers who were under the European Service Leave Rules on the date of introduction of the fundamental rules will be subject to the special leave rules [Government of India, Finance Department letter No 810-C.S.R., dated 28th July 1922, in G O No 677, Finance, dated 12th August 1922.]

(SECTION IV.—GRANT OF LEAVE).

76. A leave account shall be maintained for each Government servant in terms of leave on average pay.

Note.—See Annexure II, Part I.

77. (*a*) In the leave account of a Government servant, who on his entry into Government service becomes subject to these rules, shall be credited—

(i) If he be under the special leave rules, five-twenty-seconds of the period spent on duty; and

(ii) if he be under the ordinary leave rules, two-elevenths of the period spent on duty.

(*b*) In the leave account of a Government servant who is already in Government service when he becomes subject to these rules shall be credited—

(i) If he be under the special leave rules—

(1) the privilege leave which it would, on the date on which he becomes subject to these rules, be permissible to grant to him under the rules in force prior to that date: *plus*

(2) one-eighth of the period spent on duty or on privilege leave prior to that date: *plus*

(3) five-twenty-seconds of the period spent on duty subsequent to that date.

(ii) If he be under the ordinary leave rules—

(1) the privilege leave which it would, on the date on which he becomes subject to these rules, be permissible to grant to him under the rules in force prior to that: *plus*

(2) one-twelfth of the period spent on duty or on privilege leave prior to that date: *plus*

(3) two-elevenths of the period spent on duty subsequent to that date.

(*c*) In the case of a military commissioned officer who becomes subject to these rules, the credit under (*b*) (i) (2) above shall be in respect of the period of his service in India.

Note.—A commissioned officer transferred from the Army Veterinary Department to the Civil Veterinary Department shall be considered, for the purposes of this rule, to have been subject to the Indian Army Leave Rules from the date of his arrival in India on his last tour of service

(*d*) Any other Government servant transferred permanently from military to civil employ is entitled to a credit to his leave account based on such portion of his military duty as, under the rules for the time being in force, is permitted to count for pension.

(*e*) A statutory civil servant or a Government servant who is subject, at the time when these rules come into force, to the Indian Service Leave Rules which were in force in January 1920, is entitled to credit to his leave account, in addition to the periods admissible under clause (*b*) above, one third of any period of leave on medical certificate taken under the former rules

78. The amount of leave debited against a Government servant's leave account is—

(*a*) the actual period of leave on average pay, and

(*b*) half the period of leave on half or quarter average pay or on leave-salary equal to subsistence grant under the note to rule 88.

Note (1).—No privilege leave taken under the former Civil Leave Rules, or by a military officer under the British or Indian Army Leave Rules before coming under civil rules, is to be debited under (*a*) above.

Note (2) (i).—Under (*b*) above are to be debited—

(*a*) Furlough, leave on medical certificate and special leave with allowances taken under either the European Service Leave Rules or the Indian Service Leave Rules as they stood before those rules came into force.

(*b*) In the case of a military officer, leave in and out of India on less than full pay earned by service in India under the British or Indian Army Leave Rules, but the debit shall not exceed the credit given under rule 77 (*a*) above.

(ii) In the case of a member of the Indian Civil Service or a Military Commissioned officer subject to these rules, special leave with allowances taken under rules previously in force, and leave not due taken under these rules, up to a combined maximum of three months reckoned in terms of leave on average pay, shall not be so debited.

Note (3).—In cases covered by rule 77 (*d*), the leave taken during the period of duty on which the credit in the leave account is based is to be debited as prescribed in notes (1) and (2) above

79. When a Government servant, who has previously been subject to the ordinary leave rules, is admitted to the benefits of the special leave rules, no change shall be made in the amount of leave previously credited and debited to his account, but he shall be entitled to the maximum amount of leave prescribed in rule 81 (*a*) (i).

80. The amount of leave due to a Government servant is the balance of leave at his credit in the leave account.

81. Leave may be granted to a Government servant at the discretion of the authority entitled to grant the leave, subject to the following restrictions :—

(*a*) The maximum amount of leave which may be granted, expressed in terms of leave on average pay, is the privilege leave which it would be permissible to grant to the Government servant in question, on the date on which he becomes subject to these rules, under the rules applicable to him prior to that date : *plus*

one-eleventh of the period spent on duty subsequent to that date : *plus*—

(i) in the case of Government servants under the special leave rules, three years ; or

(ii) in the case of Government servants under the ordinary leave rules, two and a half years.

(*b*) The maximum amount of leave on average pay which may be granted is—

(i) To a Government servant under the special leave rules, eight months at any one time, and, in all,—

the privilege leave which it would, on the date on which he comes under these rules, be permissible to grant to him under the rules applicable to him prior to that date : *plus*

one-eleventh of the period spent on duty subsequent to that date ; *plus* one year.

(ii) To a Government servant under the ordinary leave rules, four months at any one time, and, in all,—

the privilege leave which it would, on the date on which he comes under these rules, be permissible to grant to him under the rules in force prior to that date : *plus*

one-eleventh of the period spent on duty subsequent to that date : *plus* one year ;

provided that, in the case of a Government servant subject to the ordinary leave rules, who either takes leave on medical certificate or spends his leave elsewhere than in India or Ceylon, the maxima prescribed in sub-clause (i) of this clause shall apply.

Note.—In the case of a Government servant who is entitled, under orders previously in force, to privilege leave for more than four months, the number of months to be taken at one time as prescribed in sub-clauses (i) and (ii) above may be increased, on the first occasion when leave is taken under these rules, by the number of months by which the amount of privilege leave due exceeds four months.

Subsidiary Rule under Fundamental Rule 81 (*b*) (i).

In the case of District and Sessions Judges and Additional District and Sessions Judges, to whom the provisions of Fundamental Rule 82 relating to vacation departments do not apply—vide subsidiary rule 2 under Fundamental Rule 82 (*a*)—, when vacation is combined with leave on average pay, the total period of absence on full or average pay may not exceed eight months at a time.

(*c*) Leave not due may be granted subject to the following conditions :—

(i) on medical certificate, without limit of amount ; and

(ii) otherwise than on medical certificate, for not more than three months at any one time and six months in all, reckoned in terms of leave on average pay.

(*d*) The maximum period of continuous absence from duty on leave granted otherwise than on medical certificate is twenty-eight months.

(*e*) When a Government servant returns from leave which was not due and which was debited against his leave account, no leave will become due to him until the expiration of a fresh period spent on duty sufficient to earn a credit of leave equal to the period of leave which he took before it was due.

82. The following provisions apply to vacation departments only :—

(*a*) A local Government may make rules specifying the departments or parts of departments which should be treated as vacation departments, and the conditions in which a Government servant should be considered to have availed himself of a vacation.

(*b*) Vacation counts as duty, but the periods of total leave in rules 77, 81 (*a*) and 81 (*b*) should ordinarily be reduced by one month for each year of duty in which the Government servant has availed himself of the vacation. If a part only of the vacation has been taken in any year, the period to be deducted will be a fraction of a month equal to the proportion which the part of the vacation taken bears to the full period of the vacation.

(*c*) In cases of urgent necessity, when a Government servant requires leave and no leave is due to him, the periods in rules 77 and 81 (*a*), as reduced by clause (*b*) of this rule, may be increased by one month for every two years of duty in a vacation department.

(*d*) When a Government servant combines vacation with leave, the period of vacation shall be reckoned as leave in calculating the maximum amount of leave on average pay which may be included in the particular period of leave.

Subsidiary Rules under Fundamental Rule 82 (a).

A vacation department is a department, or part of a department, to which regular vacations are allowed, during which Government servants serving in the department are permitted to be absent from duty.

2. The following classes of Government servants are in vacation departments when the conditions of subsidiary rule 1 are fulfilled :—

(*a*) Educational officers other than Inspecting officers and their establishments; the staff in professional colleges and schools such as the Forest College, Agricultural College, Veterinary College and the Trade School when they enjoy a vacation; and teachers employed in the schools and training institutions under the control of the Fisheries department.

(*b*) Judicial officers, other than District and Sessions Judges, Additional District and Sessions Judges and Magistrates; and the establishments of all Judicial officers other than Magistrates.

(*c*) Medical and Police officers solely employed in teaching or undergoing in a teaching institution a course of training the duration of which is more than one year.

(*d*) Any other Government servant whom the local Government may declare to be so serving.

3. An officer holding two appointments, one in a vacation department, and other not, will not be deemed to be employed in a vacation department.

4. In case of doubt the local Government will decide whether or not a particular Government servant is serving in a vacation department.

5. A Government servant serving in a vacation department shall be considered to have availed himself of a vacation or a portion of a vacation unless he has been required, by general or special order in writing of a higher authority, to perform duty of any kind during such vacation or portion of a vacation; provided that if he has been prevented by such an order from enjoying more than half the period of his vacation, he shall be considered to have availed himself of no portion of it.

6. When a Government servant is transferred from a vacation department to a non-vacation department, his period of service in the former will for the purposes of rule 82 (*b*) be considered to have terminated with effect from the close of the last vacation enjoyed by him. When a Government servant is transferred from a non-vacation department to a vacation department, his

period of service in the latter will be held to have commenced from the date of expiry of the last vacation previous to such transfer.

83. (*a*) On the conditions specified in clauses (*b*), (*c*) and (*d*) of this rule, a local Government may grant special disability leave to a Government servant who is disabled by injury or illness—

(i) in the performance of any particular duty which has the effect of increasing his liability to injury or illness beyond the ordinary risk attaching to the civil post which he holds; or

(ii) in, or in consequence of, the due performance of his official duties or in consequence of his official position.

(*b*) The grant of special disability leave is subject to the following conditions:—

(i) The disability must be certified by a medical board to be directly due to the performance of the particular duties or to the holding of an official position.

(ii) The disability must ordinarily have manifested itself within three months of the performance of the duties or of the occurrence to which it is attributed, and the person disabled must have acted with due promptitude in bringing it to notice. The period of three months may be extended by the Governor-General in Council if he is completely satisfied as to the cause of the disability.

(iii) The period of leave granted shall be such as is certified by a medical board to be necessary and shall in no case exceed two years. If leave for less than two years is granted in the first instance, it shall not be extended except on the certificate of a medical board.

(iv) Special disability leave may be combined with leave on average pay, if due, up to a maximum of four months of such leave, and with leave on half average pay if due and certified by a medical board to be necessary.

(*c*) If a Government servant has contracted such disability while serving with a military force, he shall, in the event of his discharge as unfit for further military service, be eligible for special disability leave on the conditions specified in clause (*b*) of this rule; provided that—

(i) he is not reported to be completely and permanently incapacitated for further civil service, and

(ii) any period of leave on medical certificate granted to him under military rules on account of the disability is reckoned as part of the period of two years up to which special disability leave may be granted.

(*d*) If a Government servant has contracted such disability during service otherwise than with a military force, special disability leave may not be given unless the injury or illness is, in the opinion of the local Government, so exceptional in character or in the circumstances of its occurrence as to justify such unusual treatment as the grant of this form of leave.

(*e*) Special disability leave may be granted if a disability contracted as in clause (*a*) of this rule is aggravated or reproduced in similar circumstances at a later date, but not more than two years of such leave shall be granted in consequence of any one disability.

(*f*) The period of leave will not be debited against the leave account and will count as duty in calculating service for pension.

(*g*) Leave salary on such leave will be equal to half average pay, subject to the maxima and minima prescribed in rules 89 and 90.

84. Leave may be granted to Government servants, on such terms as the Secretary of State in Council may by general order prescribe, to enable them to study scientific, technical or similar

problems or to undergo special courses of instruction. Such leave is not debited against the leave account.

Note to Rule 84.—The rules in Appendix 32, Civil Service Regulations, constitute for the time being the orders of the Secretary of State under Fundamental Rule 84 [Government of India, Finance Department No. 505-C.S.R., dated 30th May 1923, in G.O. No. 207, Pension, dated 15th June 1222.]

85. (*a*) In special circumstances and when no other leave is by rule admissible, extraordinary leave may be granted. Such leave is not debited against the leave account. No leave-salary is admissible during such leave.

(*b*) The authority which has the power to sanction leave may grant extraordinary leave as in clause (*a*) in combination with, or in continuation of, any leave that is admissible, and may commute retrospectively periods of absence without leave into extraordinary leave.

(*c*) When extraordinary leave is granted to a military officer subject to these rules, he will continue to be treated as in civil employ for all purposes until he is placed on military temporary non-effective pay by the order of a medical board. If, after being placed on military temporary non-effective pay, he returns to duty in India, he will have no claim to reinstatement in civil employ.

86. Leave granted to a Government servant should in no case extend more than six months beyond the date on which the Government servant must compulsorily retire, or, if a Government servant is retained in service after that date, more than six months beyond the date on which he ceases to discharge his duties.

Note to Rule 86.—A formal extension of service under Fundamental Rule 58 is not a necessary preliminary to the grant of leave under Fundamental Rule 86 to an officer who has attained the age of 55 as the grant of leave under the latter rule automatically carries with it the extension required. [Government of India, Finance Department Letter No. 520-C.S.R., dated 31st May 1923, in G.O. No. 573, Finance, dated 2nd July 1923.]

(SECTION V.—LEAVE SALARY.)

87. Subject to the conditions in rules 81, 88, 89 and 90, a Government servant on leave shall, during leave, draw leave salary as follows:—

(*a*) If the leave is due, leave-salary equal to average pay, or to half average pay, or to average pay during a portion of the leave and half average pay during the remainder, as he may elect; and

(*b*) if the leave is not due, leave-salary equal to half average pay.

Note.—When a non-gazetted Government servant takes leave, his pay at the time of taking leave may be treated as his average pay for the purpose of this rule, if—

(i) his pay is less than Rs. 300, or

(ii) the leave taken does not exceed one month.

Subsidiary Rule under Rule 87.

In using the discretion given to them by the above note, heads of offices are expected to see that advantage is not taken of short temporary acting vacancies to secure leave on leave salary much higher than an officer who is reverting would revert to. Leave should only be given on the pay drawn by the officer at the time when he has been drawing pay at that scale for a reasonable period.

88. After continuous absence from duty on leave for a period of twenty-eight months, a Government servant will draw leave-salary equal to quarter average pay, subject to the maxima and minima prescribed in rules 89 and 90.

Note.—A member of the Indian Civil Service or a military commissioned officer subject to these rules is entitled to leave-salary equal to subsistence grant after this period.

89. Except during the first four months of any period of leave on average pay, leave-salary is subject to the monthly maxima shown in the following table:—

	Average.		Half average.		Quarter average.	
	Outside Asia.	In Asia.	Outside Asia.	In Asia.	Outside Asia.	In Asia.
	£	rs.	£	rs.	£	rs.
Indian Civil Service and military commissioned officers subject to the special leave rules.	222	2,222	111	1,111	..	..
Other Government servants subject to the special leave rules.	200	2,000	100	1,000	50	500
Government servants subject to the ordinary leave rules.	150	1,500	75	750	40	400

Note 1.—The maximum of average pay does not apply in the case of a Government servant who is entitled, under orders previously in force, to privilege leave for more than four months, during a period equal to that for which he is entitled to privilege leave.

Note 2.—The maximum of average pay does not apply to a Government servant serving in a vacation department during a period of leave on average pay equivalent to one month for each year since his last leave during which he has not availed himself of the vacation, and to a proportionate fraction of a month during which he has taken a part only of the vacation: provided that, in the case of a Government servant who is transferred with leave to his credit from a non-vacation to a vacation department, the local Government shall decide, on the first occasion on which he takes leave after such transfer, the period not exceeding four months for which the maximum limit of leave-salary shall not be applied to him.

90. Subject to the condition that the leave-salary of a Government servant shall in no case exceed his average pay, leave-salary is subject to the monthly minima shown in the following table:—

	Half average.		Quarter average.	
	Outside Asia.	In Asia.	Outside Asia.	In Asia.
	£	rs.	£	rs.
Indian Civil Service and military commissioned officers subject to the special leave rules.	55½	555	..	..
Other Government servants subject to the special leave rules.	33	333	16½	166
Government servants subject to the ordinary leave rules.	25	250	12½	125

Note 1.—The minima specified above for Government servants other than members of the Indian Civil Service and military commissioned officers apply only when leave is taken or extended out of India.

Note 2.—In the case of a military commissioned officer, the minimum leave-salary during such leave as may be added under rule 77 (3) to the leave earned by duty under these rules shall be that prescribed by the military rules to which the officer was subject immediately before he came under these rules, and for an officer of the Royal Engineers who was serving under the Indian Army leave rules immediately before he became subject to these rules, the minimum shall be the rate prescribed by the leave rules for the Indian Army according to the length of his service for Indian pension. In the case, however, of an officer of the Royal Engineers, who was serving under British Army leave rules immediately before he became subject to these rules the minimum for so much of the leave credited to him been earned by service in civil employment shall be at the rate of—

(i) £55½ out of Asia and 555 rupees in Asia if he elected for continuous service in India before the 1st February 1908, or

(ii) the amount shown in sub-clause (i) or the pay last drawn by him on duty, whichever is less, if he elects to come under civil leave rules after completing five years.

Note 3.—A military commissioned officer subject to these rules, who is granted leave on medical certificate in excess of the amount earned by him under both the civil and military rules may be allowed the civil minimum rate of leave-salary for the period of leave taken in excess of the amount so earned.

91. A Government servant will ordinarily draw leave-salary in rupees if residing in Asia, and in sterling if residing out of Asia. Leave-salary drawn in rupees must be drawn in India, or by a Government servant residing in Ceylon, in Ceylon. Leave-salary drawn in sterling must be drawn in London or, at the Government servant's option, in any British Dominion or Colony which the Secretary of State in Council may by order prescribe: provided

that, during the first part of any period of leave on average pay, up to a maximum of four months, a Government servant may, at his option, draw leave-salary in rupees in India, even if he be residing out of India. Leave-salary will be converted into sterling at such rate of exchange as the Secretary of State in Council may by order prescribe.

Note (1) *to Rule* 91.—The Secretary of State for India in Council has made the following order, prescribing the rate of exchange at which leave-salary shall be converted into sterling:—

Leave-salary expressed in rupees, if paid at the Home Treasury or in a Colony where the standard of currency is gold, shall be converted into sterling at the rate of exchange for telegraphic transfers from Calcutta on London on the date on which each payment becomes due, the rate of exchange being subject to the following minima:—

	s.	d.	
(*a*) In respect of leave-salary due for the first four months of a period of leave on average pay..	1	4	per rupee.
(*b*) In respect of all other leave-salary ..	1	6	"

[*Resolution of the Government of India, Finance Department, No.* 1289-*C.S.R., dated Delhi, the* 10*th January* 1922, *in G.O. No.* 114, *Finance, dated* 3*rd February* 1922.]

Note (2) *to Rule* 91.—With reference to Fundamental Rule 91, the Secretary of State for India in Council is pleased to prescribe that leave-salary may be drawn in sterling in the following British Dominions and Colonies:—

Europe.—Gibraltar and Malta.

America and West Indies.—Dominion of Canada, Bahamas, Barbados, Bermuda, British Guiana, British Honduras and Jamaica.

North Africa.—Gambia, Gold Coast, Nigeria and Sierra Leone.

Africa other than North Africa.—Union of South Africa, Kenya, St Helena and Uganda

Australasia.—Commonwealth of Australia, New Zealand and Fiji Islands

Note.—Leave-salary may also be drawn in sterling in Egypt while a British Army Pay Office is retained there.

[*Resolution of the Government of India, Finance Department, No.* 868-*C.S.R., dated* 8*th August* 1922, *in G.O. No.* 738, *Finance, dated* 29*th August* 1922.]

92. The rupee maxima and minima detailed in rules 89 and 90 are applicable to those Government servants only who reside in Asia during their leave, and the sterling maxima and minima to those who reside elsewhere.

93. A compensatory allowance should ordinarily be drawn only by a Government servant actually on duty, but a local Government may make rules specifying the conditions under which a Government servant on leave on average pay may continue to draw a compensatory allowance, or a portion thereof, in addition to leave-salary during the first four months of his leave. One of these conditions should be that the whole or a considerable part of the expense to meet which the allowance was given continues during leave.

Note to Rule 93.—See subsidiary rules under Fundamental Rule 44.

(Section VI.—Exceptions and Special Concessions.)

94 The rules in sections I to V are not applicable to the following Government servants whose leave is governed by the Act or by rules made under other sections of the Act:—

(*a*) Members of the Executive Council of the Governor-General or of a Governor or Lieutenant-Governor.

(*b*) The Chief Justices and other Judges of the several High Courts.

(*c*) The Bishops of Calcutta, Madras and Bombay.

(*d*) The Auditor-General in India.

*94-A. The rules in sections I to V are not applicable to the Presidents of Legislative bodies, whose leave is governed by orders issued in this behalf by the Secretary of State in Council.

95. Chaplains, including the Bishops of Lahore, Rangoon, Lucknow and Nagpur, are not subject to the rules in sections I to V of this chapter. Leave is granted to them under such rules as may be made in this behalf by the Secretary of State in Council.

96. The only form of leave which may be granted to a Lieutenant-Governor, whether substantive or officiating, is leave on medical certificate for not more than six months. On resuming his duties after such leave, he may receive leave-salary equal to half his pay for the period of absence. If he does not resume his duties, he may draw the leave-salary to which he would have been entitled under rule 97 had he vacated his post before taking leave.

97. When a member of the Indian Civil Service takes leave on vacating the post of Governor, Lieutenant-Governor or Chief Commissioner or of Member of the Executive Council of the Governor-General, or of a Governor or Lieutenant-Governor, his average pay shall be held to be subject to a maximum of Rs. 4,000. Such an officer will not retain, while on leave, a lien on the post which he has vacated.

98. The following provisions apply to pleader judges of the Chief Court of Lower Burma, and to barristers holding the posts enumerated below: provided that, in the case of barristers, they were, on first admission to Government service, appointed to some post in which the local Government has declared it to be necessary on public grounds to employ a barrister:—

(1) Judges of the Chief Court of Lower Burma.

(2) First Judges of Small Cause Courts of Presidency towns.

(3) The Secretary to the Government of India in the Legislative Department.

(4) A Judicial Commissioner or Additional Judicial Commissioner of Oudh or of the Central Provinces.

(6) The Administrator-General, Official Trustee, Official Assignee and Official Receiver in Burma.

(7) A Chief Judge of the Court of Small Causes in Rangoon.

(8) An Additional Judicial Commissioner of Sind.

Such Government servants are entitled to leave on terms similar to those applied to Judges of High Courts by rules made under section 104 of the Act: provided that—

(a) their leave-salary, while on furlough or on subsidiary leave, shall not exceed one-half of the pay which they drew at the time of taking leave; and

(b) if holding one of the posts specified in items (3) to (7) above, they are entitled to leave on average pay, in lieu of the privilege leave admissible under the rules made under section 104, up to one-eleventh of the period of duty performed, on the same conditions as a Government servant serving in a vacation department.

99. The following Law Officers are entitled to leave under the rules applicable to members of the Indian Civil Service, provided that their pay as Government servants is fixed at a definite rate and that their whole time is retained for the service of Government:—

An Advocate-General.
A Standing Counsel.
An Official Trustee or Assignee.

* Government of India, Finance Department, No. 1092-C.S.R., dated 26th September 1919, in G. O. No. 872 Finance, dated 13th October 1919.

100. The following provisions apply to military officers in civil employ who remain subject to military leave rules:

(*a*) Provided that it is prepared to re-employ him immediately upon the termination of the leave, a local Government may grant to such an officer leave of the following kinds:—

(i) Leave on average pay, for four months at a time, up to one-eleventh of the period of duty performed, including uninterrupted duty in military service; provided that, if privilege leave under military rules has been taken in any calendar year, duty counting for leave on average pay will not commence until the beginning of the following year or from the expiry of six months after the conclusion of such leave, whichever is earlier; and

(ii) any leave, other than privilege leave, admissible under military rules either alone or in combination with leave on average pay.

(*b*) The total period of leave should be regulated by the limits in force under the military rules to which the officer is subject.

(*c*) Leave may be retrospectively commuted by the authority which granted it into any other kind of leave which was admissible to the officer concerned at the time when it was granted.

101. A local Government may make rules regulating the grant to Government servants under its control of—

(*a*) maternity leave to female Government servants; and

(*b*) leave on account of ill-health to members of subordinate services specified in such rules whose duties expose them to special risk of accident or illness.

Such leave is not debited against the leave account.

Subsidiary Rules under Rule 101 (*a*). *Maternity leave.*

1. A competent authority may grant maternity leave on average pay for a period which may extend up to three months.

2. Leave of any other kind may be granted in continuation of maternity leave, if the request for its grant be supported by a medical certificate.

Delegation under Rule 101 (*a*).

The Director of Public Instruction has been empowered to grant maternity leave to a female Government servant in his department.

Subsidiary Rules under Rule 101 (*b*). *Hospital leave.*

1. All inferior Government servants and subordinates of the following classes, whether in inferior or superior service, are eligible for hospital leave:—

Police head constables and constables, jail matrons, head warders, and warders, foresters in receipt of pay not exceeding Rs. 40, forest guards, head warders, warders and servants in lunatic asylums, petty officers of the Salt, Abkari and Customs Department, press employees, and syces in the Civil Veterinary Department.

2. Hospital leave on half average pay may be granted for a period not exceeding six months in every three years of service to a Government servant of one of the classes mentioned in Subsidiary Rule 1 when he is detained in hospital or is receiving medical aid as an out-patient. It is inadmissible when such treatment is necessitated by intemperance or irregular habits. It may be combined with other leave.

3. If the detention in hospital was due to an injury received or a disease contracted in the course of duty, and it is also certified not to have been due to imprudence, average pay may be allowed for a period not exceeding three months in every three years.

102. A local Government may make rules regulating the grant of leave on account of ill-health to officers and seamen of Government vessels. Such leave is not debited against the leave account.

103. A local Government may make rules regulating the leave which may be earned by—

(*a*) temporary and officiating service;

(*b*) service which is not continuous; and

(*c*) part-time service, or service which is remunerated wholly or partially by the payment of fees or daily wages; provided that such rules shall not grant more favourable terms than would be admissible if the service were substantive, permanent and continuous.

Subsidiary Rules under Rule 103 (*a*).

1. A temporary Engineer of the Public Works Department may be granted leave on such terms and with such leave-salary as Government may think fit in each individual case provided that the leave and leave-salary are not in excess of those admissible to a Government servant subject to the ordinary leave rules.

2. Leave may be granted to any other Government servant without a lien on a permanent post while officiating in a post or holding a temporary post, provided that the grant of the leave involves no extra expense to the Government. On this condition such a Government servant may be granted—

(*a*) leave on leave-salary equivalent to average pay up to one-eleventh of the period spent on duty, subject to a maximum of four months at a time, or

(*b*) on medical certificate, leave on leave-salary equivalent to half average pay for three months at any one time, or

(*c*) extraordinary leave under Fundamental Rule 84 for three months at any one time.

Note.—The Government reserve the power to waive the proviso that there should be no extra expense in special cases.

Exception.—In the case of a Government servant officiating in a permanent post or holding a temporary post in a vacation department leave granted under clause (*c*) of this rule shall be on leave-salary equivalent to half average pay; provided that such a Government servant may be granted under that clause, leave on leave-salary equivalent to average pay to the extent of one month for each year of duty in which he has availed himself of less than half of the vacation (Government of India, Finance Department, Resolution No. 753-C.S R., dated the 18th July 1922).

3. If such a Government servant is, without interruption of duty, appointed substantively to a permanent post, his leave account will be credited with the amount of leave which he would have earned by his previous duty if he had performed it while holding a permanent post substantively, and debited with the amount of leave actually taken under rule 2. Leave taken under rule 2 is not an interruption of duty for the purpose of this rule. This rule has retrospective effect in the case of Government servants in permanent service at the time these rules come into force.

Subsidiary Rule under Rule 103 (*b*).

Service in an establishment which is employed only at certain seasons in each year does not qualify for leave except in the case of men who are drafted into such an establishment from other permanent or temporary posts.

Subsidiary Rules under Rule 103 (*c*).

The Advocate-General and the Government Solicitor may be granted leave as follows:—

(*a*) Leave on average pay during the vacation of the High Court provided that no extra expense is thereby caused to Government. Such leave will be counted as duty.

(*b*) Leave on half average pay for not more than six months once only in the term of service after six years of duty; provided that no extra expense is thereby caused to Government.

(*c*) On medical certificate, leave on half average pay up to a maximum of 20 months at any one time; provided that three years of duty must intervene between any two periods of leave on medical certificate and also that no extra expense is caused to Government.

(*d*) On the conditions prescribed in Fundamental Rule 85, extraordinary leave.

2. Leave under any one of the clauses of Subsidiary Rule 1 may be combined with leave under any other clause

3. Subsidiary Rule 1 of the Maternity leave rules issued under Fundamental Rule 101 (*a*) applies to women employed under Government at piece rates or daily rates in permanent or quasi-permanent concerns.

104. During their period of probation or apprenticeship, probationers and apprentices are entitled to leave as follows:—

(*a*) If appointed under contract in the United Kingdom with a view to permanent service in India, or if appointed in the United Kingdom to posts created temporarily with the prospect, more or less definite, of becoming permanent:—

(i) to such leave as is prescribed in their contracts, or, when no such prescription is made,

(ii) (1) when the period of probation is not less than three years, to the same leave which would be admissible if they held permanent posts; or

(2) when the period of probation is less than three years, to leave on average pay up to one-eleventh of the period spent on duty, to which may be added, on medical certificate, leave on half average pay; provided that the total leave granted under this clause shall not exceed three months reckoned in terms of leave on average pay; and

(*b*) if appointed otherwise, to such leave as is admissible under rules framed on this behalf by the local Government, subject to the proviso in rule 103.

Subsidiary Rules under Rule 104.

1. In these rules—

(*a*) *Probationer* means a Government servant employed on probation in or against a substantive vacancy in the cadre of a department.

(*b*) *Apprentice* means a person deputed for training in a trade or business with a view to employment in Government service, who draws pay at monthly rates from Government during such training, but is not employed in or against a substantive vacancy in the cadre of a department.

2. Leave may be granted to a probationer if it is admissible under the leave rules which would be applicable to him if he held his post substantively otherwise than on probation.

3. Leave of the following kinds may be granted to an apprentice:—

(*a*) On medical certificate, leave on leave-salary equivalent to half average pay for a period not exceeding one month in any year of apprenticeship.

(*b*) Extraordinary leave under Fundamental Rule 85.

CHAPTER XI.—JOINING TIME.

105. Joining time may be granted to a Government servant to enable him—

(*a*) to join a new post to which he is appointed while on duty in his old post; or

(*b*) to join a new post—

(i) on return from leave of less than four months' duration, or

(ii) when he has not had sufficient notice of his appointment to the new post, on return from leave other than that specified in sub-clause (*i*); or

(*c*) to travel from the port of debarkation and organize his domestic establishment when he returns from leave out of India of more than four months' duration; or

(*d*) on departure on or return from leave, to proceed from or to the place at which he is posted to or from specified stations, when the place concerned is in a remote locality which is not easy of access.

106. A local Government may make rules regulating the joining time admissible in each of the cases mentioned in rule 105 and specifying the places and stations to which clause (*d*) of that rule shall apply. Such rules should be framed with due regard to the time required for actual transit and for the organization of domestic establishment.

Subsidiary Rules under Rule 106.

1. Not more than one day is allowed to a Government servant in order to join a new post when the appointment to such post does not necessarily involve a change of residence from the station to another. A holiday or Sunday counts as a day for the purpose of this rule.

2. In cases involving a change of station, the joining time allowed to a Government servant is subject to a maximum of 30 days. Six days are allowed for preparation and, in addition, a period to cover the actual journey calculated as follows:—

(*a*) For that portion of the journey which he travels or might travel

	One day for each	
by railway	250 miles	
by ocean steamer	200 ,,	Or any longer time actually occupied in the journey.
by river steamer	80 ,,	
by motor-car or horse-drawn conveyance plying for public hire	80 ,,	
in any other way	15 ,,	

(*b*) For any fractional portion of any distance prescribed in clause (*a*) an extra day is allowed.

(*c*) When part of the journey is by steamer, the limit of six days for preparation may be extended to cover any period unavoidably spent in awaiting the departure of the steamer.

(*d*) Travel by road not exceeding five miles to or from a railway station at the beginning or end of a journey does not count for joining time.

(*e*) A Sunday does not count as a day for the purpose of the calculations in this rule, but Sundays are included in the maximum period of 30 days

3. By whatever route a Government servant actually travels, his joining time shall, unless the head of the department for special reasons otherwise orders, be calculated by the route which travellers ordinarily use.

4 If a Government servant is authorized to make over charge of a post elsewhere than at its headquarters, his joining time shall be calculated from the place at which he makes over charge.

5. (*i*) Within the maximum of thirty days the head of the department may extend the joining time admissible by rule—

(*a*) when the Government servant has been unable to use the ordinary mode of travelling or, notwithstanding due diligence on his part, has spent more time on the journey than is allowed by the rules—to the extent of the time actually taken; or

(*b*) when such extension is considered necessary for the public convenience or for the saving of such public expenditure as is caused by unnecessary or purely formal transfers—to the extent necessary; or

(*c*) when the rules have in any particular case operated harshly; as, for example, when a Government servant has through no fault on his part missed a steamer or fallen ill on the journey—to the extent necessary, on such conditions as to allowances or otherwise as the head of the department may think fit.

(*ii*) All other cases require the sanction of the local Government.

6 When a Government servant returning from leave out of India exceeding four months, takes joining time before joining his post, his joining time shall be calculated as prescribed in rule 2; provided that it shall, if he

so desire, be subject to a minimum of ten days. The joining time will run from the date of debarkation at an Indian port

7. If a Government servant is appointed to a new post while in transit from one post to another, his joining time begins on the day following that on which he receives the order of appointment, but no second period of six days for preparation is admissible.

8. If a Government servant takes leave while in transit from one post to another, the period which has elapsed since he handed over charge of his old post must be included in his leave, unless the leave is taken on medical certificates. In the latter case he may be allowed the joining time calculated for the journey from his old station to the place to which he has proceeded on his route to the new station.

9. If a Government servant is appointed to a new post while on leave of four months' duration or less, his joining time shall be calculated from his old station or from the place at which he received the order of appointment, whichever calculation will entitle him to the less joining time. If the leave is being spent out of India, and the order of appointment to the new post reaches him before he arrives at the port of debarkation, the port of debarkation is the place in which he received the order for the purpose of this rule.

In cases falling under this rule in which the Government servant joins his post before the expiry of his leave and joining time, the Audit officer may, without reference to the authority which granted the leave, deduct full joining time in reckoning the amount of leave to be debited to the Government servant's leave account.

10. The authority which granted the leave will decide whether the notice referred to in Fundamental Rule 105 (*b*) (ii) was insufficient.

11. A Government servant on transfer during a vacation may be permitted to join at the end of the vacation, although the usual joining time is thereby exceeded.

107. A Government servant on joining time shall be regarded as on duty and shall be entitled to be paid as follows:—

(*a*) If on joining time under clause (*a*) of rule 105, he is entitled to the pay which he drew prior to relinquishing charge of his old post, or the pay which he will draw on taking charge of his new post, whichever is less.

(*b*) If on joining time under clause (*b*) or (*c*) of rule 105 he is entitled—

(i) when returning from extraordinary leave, other than extraordinary leave not exceeding fourteen days granted in continuation of other leave; if a member of the Indian Civil Service or a military commissioned officer subject to the civil leave rules, to subsistence grant; otherwise, to no payments at all;

(ii) when returning from leave of any other kind, to the leave-salary which he last drew on leave at the rate prescribed for the payment of leave-salary in India:

Provided that the amount of half average pay to be drawn during joining time by a member of the Indian Civil Service or a military commissioned officer subject to the civil leave rules returning from leave on half average pay shall be calculated without regard to the limits prescribed in rule 89.

Note 1.—A military officer subject to the military leave rules who retains a lien on his civil post is entitled, on joining time under sub-clause (ii) above, to draw the same amount of leave-salary which he would have drawn had he taken leave under civil leave rules; provided that such leave-salary shall not be less than that which he actually drew during the last portion of his leave.

(*c*) If on joining time under clause (*d*) of rule 105, he is entitled to pay as though he were on duty in his post.

Note 2.—A ministerial servant on transfer is not entitled to be paid while on joining time unless his transfer is made in the public interests. A transfer made in consequence of his own misbehaviour does not fulfil this condition.

108. A Government servant who does not join his post within his joining time is entitled to no pay or leave-salary after the end of the joining time. Wilful absence from duty after the expiry of joining time may be treated as misbehaviour for the purpose of rule 16.

Part VII.

CHAPTER XII.—FOREIGN SERVICE

109. The rules in this chapter apply to those Government servants only who are transferred to foreign service after these rules come into force. Government servants transferred previously will remain subject to the rules in force at the time of transfer.

Note to Rule 109.—Government servants who were transferred to foreign service before the 1st January 1932 are entitled to take the benefit of the new leave rules contained in Chapter X, and will be adjudged to have elected to do so if they do not exercise the option given by Fundamental Rule 58. To cover cases in which such Government servants come under the new leave rules, the Government of India have ruled

(i) that their pay in foreign service shall be treated as pay for the purpose of calculating leave-salary, and

(ii) that the existing obligation of foreign employers to pay a portion of leave allowances during privilege leave shall be held to continue during the first four months of any period of leave on average pay.

[Government of India, Finance Resolution No. 25-E.B., dated 18th January 1932, to G.O. No. 116, Finance, dated 3rd February 1932.]

The expression 'their pay in foreign service' mentioned in clause (i) above means 'the pay drawn in foreign service less such part of it as may be paid as contribution.' In the case of officers who are exempted from the payment of contribution, leave salary should be based on the actual pay in foreign service without regard to the contribution which would have been paid but for the exemption.

[Government of India, Finance Department, Enforcement No. 1151-E.B., dated 29th September 1932, in G.O. No. 961 Finance, dated 7th October 1932.]

110. (*a*) No Government servant may be transferred to foreign service against his will.

(*b*) A transfer to foreign service outside India may be sanctioned by the Governor-General in Council.

Note.—The Government of Madras is authorised to transfer to service in Ceylon any Government servant other than a member of an all-India service.

(*c*) Subject to any restrictions which the Governor-General in Council may by general order impose in the case of transfer to the service of an Indian State, a transfer to foreign service in India may be sanctioned by the local Government under which the Government servant transferred is serving.

Delegations under Rule 110 (*c*).

(1) The Board of Revenue may sanction transfer of non-gazetted Government servants under its control to foreign service in the Madras Presidency including service under Indian States in political relations with the Madras Government.

(2) The Surgeon-General may sanction transfer of medical officers and subordinates of and below the rank of Assistant-Surgeon to foreign service in the Madras Presidency other than service under an Indian State in political relations with the Madras Government.

111. A transfer to foreign service is not admissible unless—

(*a*) the duties to be performed after the transfer are such as should, for public reasons, be rendered by a Government servant, and

(*b*) the Government servant transferred holds, at the time of transfer, a post paid from general revenues or holds a lien on such a post.

112. If a Government servant is transferred to foreign service while on leave, he ceases, from the date of such transfer, to be on leave and to draw leave-salary.

113. A Government servant transferred to foreign service will remain in the cadre in which he held a post prior to his transfer, and may be given such substantive or officiating promotion in that cadre as the authority competent to order promotion may decide. In giving promotion, such authority will take into account—

(*a*) the nature of the work performed in foreign service, and

(*b*) the promotion given to juniors in the cadre.

114. A Government servant in foreign service will draw pay from the foreign employer from the date on which he relinquishes charge of his post in Government service. Subject to any restrictions which the Governor-General in Council may by general order impose, the amount of his pay, the amount of joining time admissible to him and his pay during such joining time will be fixed by the authority sanctioning the transfer in consultation with the foreign employer.

Delegation under Rule 114.

The Board of Revenue and the Surgeon-General have power to fix the pay in foreign service of Government servants whose transfer to such service they are empowered to sanction, subject to the following conditions:—

(*a*) The pay does not exceed by more than 25 per cent of the pay admissible from time to time in the cadre in which the Government servant concerned held a post prior to his transfer.

(*b*) No concessions are sanctioned in addition to pay, except—

(*i*) Payment of leave and pension contributions by the foreign employer.

(*ii*) Grant of travelling allowance under the subsidiary rules.

(*c*) In the case of medical officers and subordinates lent to local bodies the pay shall be that admissible in the cadres in which they held posts prior to their transfer, but such compensatory allowances as are attached to the posts in foreign service may be permitted to be drawn.

Note to Rule 114.—The Governor-General in Council has issued the following orders regulating the amount of remuneration which may be sanctioned by a local Government for a Government servant transferred to foreign service in an Indian State:—

1. When the transfer of a Government servant to foreign service in an Indian State is sanctioned, the pay which he shall receive in such service must be precisely specified in the order sanctioning the transfer. If it is intended that he shall receive any remuneration, or enjoy any concession of pecuniary value, in addition to his pay proper, the exact nature of such remuneration or concession must be similarly specified. No Government servant will be permitted to receive any remuneration or enjoy any concession which is not so specified; and, if the order is silent as to any particular remuneration or concession, it must be assumed that the intention is that it shall not be enjoyed.

2. No order of transfer to foreign service shall be issued by a local Government without previous consultation with its Finance Department. It shall be open to that department to prescribe, by general or special order, cases in which its consent may be presumed to have been given.

3. The following two general principles must be observed by local Governments in sanctioning the conditions of transfer:—

(*a*) The terms granted to the Government servant must not be such as to impose an unnecessarily heavy burden on the Indian State which employs him.

(*b*) The terms granted must not be so greatly in excess of the remuneration which the Government servant would receive in Government service as to render foreign service appreciably more attractive than Government service.

4. Provided that the two principles laid down in paragraph 3 above are observed, a local Government may sanction the grant of the following concessions by the foreign employer. Such concessions must not be sanctioned as a matter of course, but in those cases only in which their grant is in

accordance with local custom and the wishes of the Darbar and is, in the opinion of the local Government, justified by the circumstances. The value of the concessions must be taken into account in determining the appropriate rate of pay for the Government servant in foreign service :—

(*a*) The payment of contributions towards leave-salary and pension under the ordinary rules regulating such contributions.

(*b*) The grant of travelling allowance under the ordinary travelling allowance rules of the local Government or under the local rules of the Darbar, and of permanent travelling allowance, conveyance allowance and horse allowance.

(*c*) The use of State tents, boats and transport on tour, provided that this is accompanied by a corresponding reduction in the amount of travelling allowance admissible.

(*d*) The grant of free residential accommodation which may be furnished in cases in which the local Government considers this to be desirable, on such scale as may seem proper to the local Government.

(*e*) The use of State motors, carriages and animals.

6. The grant of any concession not specified in paragraph 4 above requires the sanction of the Governor-General in Council.

[Letter of the Government of India, Finance Department, No. 1366 E.R., dated 19th December 1921.]

115. While a Government servant is in foreign service, contributions towards the cost of his pension must be paid to general revenues on his behalf. If the foreign service is in India, contributions must be paid on account of the cost of leave-salary also. Such contributions shall be paid by the Government servant himself, unless the foreign employer consents to pay them. They shall not be payable during leave taken while in foreign service.

Note 1.—Pensions, throughout this chapter, include bonus, if any, payable to a Government servant's credit in a provident fund.

Note 2.—In the case of Government servants lent to His Majesty's Government or to British colonies or protectorates, the contribution is payable by the employer, except in the case of Government servants lent to the War Office, whose contributions are paid in accordance with special arrangements with the War Office.

116. Contributions will be calculated on the pay drawn in foreign service. In return for the contributions the Governor-General in Council or the local Government, as the case may be, accepts the charge for the pension, and if the foreign service is in India the leave-salary, of the Government servant. In calculating leave-salary and pension, the pay drawn in foreign service, less such part of it as may be paid as contribution, will count as pay for the purpose of rule 9 (2).

Note to Rule 115.—*See* note to Rule 109.

117. The rate of contributions payable on account of pension and leave-salary shall be such as the Governor-General in Council may by general order prescribe.

Note to Rule 117.

The following rates of contributions have been prescribed in respect of officers of the Indian Civil Service transferred to foreign service on or after the 27th January 1922 :—

For pension only.	For leave-salary and pension.
25 per cent of pay actually drawn in foreign service.	40 per cent of pay actually drawn in foreign service

[Government of India, Finance Department, No. 64 E.R., dated 27th January 1922, to G.O. No. 334, Finance, dated 10th February 1922.]

118. In addition to the contributions prescribed under rule 117, subscribers to any of the following pension funds must pay to

Government a contribution equal to one-fourth or one-sixth of the premium paid to the fund:—

(a) Bengal Uncovenanted Service Family Pension Fund	One-fourth.
(b) Bombay Uncovenanted Service Family Pension Fund—	
(i) Subscribers who joined the fund on or before the 12th November 1900	One-fourth.
(ii) Those who joined after that date	One-sixth.
(c) Bengal and Madras Service Family Pension Fund	One-sixth.

119. Subject to any general orders of the Governor-General in Council, a local Government sanctioning a transfer to foreign service may—

(*a*) remit the contributions due in any specified case or class of cases, and

(*b*) make rules prescribing the rate of interest, if any, to be levied on overdue contributions.

Subsidiary Rule under Rule 119 (*a*).

No contribution for leave-salary and pension is recovered (i) on account of the Government servant appointed as the Commissioner of the Madras Corporation or (ii) on account of sub-assistant surgeons or civil apothecaries lent to local boards or municipalities, but contribution is recovered in the case of civil assistant surgeons employed under these bodies.

Subsidiary Rules under Rule 119 (*b*).

1. Not later than 15 days after the end of each quarter ending with 30th June, 30th September, 31st December or 31st March, for which salary in foreign service is earned, the Government servant must remit, in such manner as may be arranged with the Account officer who maintains the account of the contribution due by him, the contribution payable by him for the quarter.

2. In any case in which contribution falls into arrear, the Account officer will bring the fact to the Government servant's notice and claim interest at the rate of four pies a day per 100 rupees upon the amount due, from the date of expiry of the 15 days after the quarterly date to the date on which the contribution is paid.

3. If any amount due, including interest, is not paid within twelve months of its accrual, the Account officer shall intimate to the Government servant the amount due up to date, and inform him that in consequence of the default he has forfeited his claim to pension or pension and leave-salary, as the case may be. In order to revive his claim the Government servant must at once pay the amount due and represent his case to the local Government who will deal finally with it.

4. Interest on overdue contributions will not be remitted by Government save in very exceptional circumstances.

120. A Government servant in foreign service may not elect to withhold contributions and to forfeit the right to count as duty in Government service the time spent in foreign employ. The contribution paid on his behalf maintains his claim to pension, or to pension and leave-salary, as the case may be, in accordance with the rules of the service of which he is a member. Neither he nor the foreign employer has any right of property in a contribution paid, and no claim for refund can be entertained.

121. A Government servant transferred to foreign service may not, without the sanction of the local Government, accept a pension or gratuity from his foreign employer in respect of such service.

122. A Government servant in foreign service in India may not be granted leave otherwise than in accordance with the rules applicable to the service of which he is a member, and may not take leave or receive leave-salary from Government unless he actually quits duty and goes on leave.

123. A Government servant in foreign service out of India may, unless special arrangements as to leave have been made on his behalf by the authority sanctioning his transfer, be granted leave by his employer on such conditions as the employer may determine. The leave-salary on such leave will be paid by the employer, and the leave will not be debited against the Government servant's leave account.

124. A Government servant in foreign service, if appointed to officiate in a post in Government service, will draw pay calculated on the pay of the post in Government service on which he holds a lien and that of the post in which he officiates. His pay in foreign service will not be taken into account in fixing his pay.

125. A Government servant reverts from foreign service to Government service on the date on which he takes charge of his post in Government service; provided that, if he takes leave on the conclusion of foreign service before rejoining his post, his reversion shall take effect from such date as the local Government on whose establishment he is borne may decide.

Delegation under Rule 125

The authority which granted the leave is empowered to decide the date of reversion of the Government servant returning after leave, from foreign service.

126. When a Government servant reverts from foreign service to Government service, his pay will cease to be paid by the foreign employer, and his contributions will be discontinued, with effect from the date of reversion.

127. When an addition is made to a regular establishment on the condition that its cost, or a definite portion of its cost, shall be recovered from the persons for whose benefit the additional establishment is created, recoveries shall be made under the following rules:—

(*a*) The amount to be recovered shall be the gross sanctioned cost of the service, or of the portion of the service, as the case may be, and shall not vary with the actual expenditure of any month.

(*b*) The cost of the service shall include contributions at such rates as may be laid down under rule 117, and the contributions shall be calculated on the sanctioned rates of pay of the members of the establishment.

(*c*) A local Government may reduce the amount of recoveries or may entirely forego them.

CHAPTER XIII.—SERVICE UNDER LOCAL FUNDS.

128. Government servants paid from local funds which are administered by Government are subject to the provisions of chapters I to XI of these rules.

129. The transfer of Government servants to service under local funds which are not administered by Government will be regulated by the rules in Chapter XII.

130. Persons transferred to Government service from a local fund which is not administered by Government will be treated as joining a first post under Government, and their previous service will not count as duty performed. A local Government may, however, allow previous service in such cases to count as duty performed on such terms as it thinks fit.

Subsidiary Rule under Rule 130.

Previous service after 1st April 1938 under a local body in a hospital or a veterinary institution which has been taken over by Government may be counted for leave in combination with subsequent Government service.

ANNEXURE II—PART I.

Rules under Fundamental Rule 74 (a).

LEAVE PROCEDURE IN THE CASE OF GOVERNMENT SERVANTS IN INDIA.

SECTION I—LEAVE ACCOUNTS.

By whom maintained.

1. The leave account required by Fundamental Rule 76 shall be maintained in F.R. Form No 9.

2. (a) The leave account of a gazetted Government servant shall be maintained by, or under the direction of, the principal auditor responsible for the audit of his pay.

(b) The leave account of a non-gazetted Government servant shall be maintained, and the entries therein attested, by the head of the office in which he is employed

SECTION II—APPLICATION FOR LEAVE.

To whom application should be made.

3. Every application for leave or for an extension of leave should be sent to the competent authority through the intermediate superior, if any, of the Government servant applying for leave. In the case of gazetted officers, the application should also be sent through the Accountant-General. The application of a Government servant in foreign employ should also be sent through the Accounts officer who accounts for the contribution recovered from the foreign employer.

4. An application for leave by a Chaplain of the Church of England must be forwarded, through the proper channel, to the Bishop of the Diocese, whether such Bishop is or is not competent to grant the desired leave.

5. An application by a commissioned medical officer in permanent or temporary civil employ for leave exceeding four months, other than leave on medical certificate, or for an extension of such leave, must be submitted to the local administrative medical officer, by whom it will be forwarded to the Director-General, Indian Medical Service. The Director-General will countersign the application, if the state of the public service admits of the grant of the leave; otherwise, he will abstain from countersigning it. In either case, he will forward the application for disposal to the Government under which the applicant is serving.

6. Applications for leave from military officers in civil employ, whether they are subject to military leave rules or civil leave rules, should be submitted to Government through the Civil Audit officer, who audits the pay of the officers going on leave. No leave should be sanctioned to such an officer before a report is received from the Civil Audit officer, who may, if he considers it necessary, consult the Controller of Military Accounts in charge of the officer's record of pension service, before certifying to the leave and specifying the leave-salary.

Note.—The Civil department when forwarding an application for leave from a military officer holding an officiating appointment should intimate whether the officer will revert to the Military department in the event of the leave being granted.

Exception.—The leave application of a Military Secretary or Aide-de-Camp to His Excellency the Governor will be forwarded to Government through the Controller of Military Accounts, Madras District, to whom a copy of the Government notification granting leave will be forwarded when the leave is notified.

7. When a military officer subject to the military leave rules applies for leave of absence on medical certificate, he should communicate his intention to his immediate departmental superior at the time of sending in his application for leave.

8. A Government servant transferred to foreign service must, before taking up his duties in foreign service, make himself acquainted with the rules or arrangements which will regulate his leave during such service.

SECTION III—MEDICAL CERTIFICATES.

General rules.

9. A medical officer must not recommend the grant of leave in any case in which there appears to be no reasonable prospect that the Government servant concerned will ever be fit to resume his duties. In such cases, the opinion that the Government servant is permanently unfit for Government service should be recorded in the medical certificate.

10. Every certificate of a medical committee or a medical officer recommending the grant of leave to a Government servant must contain a proviso that no recommendation contained in it shall be evidence of a claim to any leave not admissible to the Government servant under the terms of his contract or of the rules to which he is subject.

Procedure in the case of gazetted Government servants.

11. Before a gazetted Government servant can be granted leave, or an extension of leave, on medical certificate, he must obtain a certificate in the following form or as nearly in that form as the circumstances permit :—

"I, *A.B*, Surgeon at (*or* of) , do hereby certify that *C.D.* of the service (*or* department) is in a bad state of health, and I solemnly and sincerely declare that, according to the best of my judgment, a change of air is essentially necessary to his recovery, and do therefore recommend that he may be permitted to proceed to ."

This certificate should be accompanied by a statement of the Government servant's case showing age, total service, service in India, previous periods of leave of absence on medical certificate or private affairs, date of return from last leave, habits, temperament and disease, and recording a clear opinion as to whether or not, or how far, the disability was contracted in and by the service and from the effect of climate, with the reasons for so concluding.

12. Having secured such a certificate, the Government servant must, except in cases covered by rule 15, obtain the permission of the head of his office or, if he himself is the head of an office, of the head of his department to appear before a medical committee. The committee will be assembled under the orders of the Surgeon-General, who will, where practicable, preside over it. The committee will be assembled either at the headquarters of the province or at such other place as the local Government may appoint and the Government servant will present himself with three copies of the statement of his case before the committee.

13. Before the required leave or extension of leave can be granted, the Government servant must obtain from the committee a certificate to the following effect :—

"We do hereby certify that, according to the best of our professional judgment, after careful personal examination of the case, we consider the health of *C.D.* to be such as to render absence from duty for a period of . . . . . months absolutely necessary for his recovery."

14. Before deciding whether to grant or refuse the certificate, the committee may, in a doubtful case, detain the applicant under professional observation for a period not exceeding fourteen days. In that case it should grant to him a certificate to the following effect:—

"*C.D.* having applied to us for a medical certificate recommending the grant to him of leave, we consider it expedient, before granting or refusing such a certificate, to detain *C.D.* under professional observation for . . . . days."

15. If the state of the applicant's health is certified by a commissioned medical officer of Government or by a medical officer in charge of a civil station to be such as to make it inconvenient for him to present himself at any place in which a committee can be assembled, the authority competent to grant the leave may accept, in lieu of the certificate prescribed in rule 13, either—

(*a*) a certificate signed by any two medical officers, being commissioned medical officers or medical officers in charge of civil stations, in whatsoever provinces they may be serving; or

(*b*) if the authority considers it unnecessary to require the production of two medical opinions, a certificate signed by an officer in medical charge of a civil station and countersigned by the Collector of the district, or in the case of officers of the Judicial Department by the District and Sessions Judge.

16 The grant of a certificate under rule 13 or 15 does not in itself confer upon the Government servant concerned any right to leave. The certificate should be forwarded to the authority competent to grant the leave, and the orders of that authority should be awaited.

Procedure in the case of non-gazetted Government servants in superior service.

17 An application by a non-gazetted Government servant in superior service for leave, or for an extension of leave, on medical certificate, must be accompanied by a certificate from the applicant's medical attendant. Such certificate should distinctly state the nature of the illness, its symptoms, probable cause and duration, and the period of absence from duty considered to be absolutely necessary for the restoration of the applicant's health. It should be countersigned by a Presidency Surgeon, if the applicant is in a Presidency town; otherwise, by the officer in chief medical charge of the district in which the applicant resides. The authority competent to grant the leave may, however, in its discretion accept a certificate from the applicant's medical attendant without such countersignature provided the medical attendant is a registered medical practitioner as defined in section 3 of the Madras Medical Registration Act, 1914, or if the applicant be a female, may either dispense with countersignature or accept the countersignature of any female medical practitioner The possession of a certificate such as is prescribed in this rule does not in itself confer upon the Government servant concerned any right to leave.

18. No certificate should be submitted for countersignature without the cognizance of the head of the office in which the applicant is serving.

19. The countersigning officer may, in his discretion, require the applicant to appear before him, unless it appears from the certificate of his medical attendant that he is too ill to bear the journey. In the latter case, the officer may, after careful investigation of the case, either countersign the certificate or refuse to do so, as he thinks fit.

Procedure in the case of non-gazetted Government servants in inferior service.

20. In support of an application for leave, or for an extension of leave, on medical certificate from a non-gazetted Government servant in inferior service, the authority competent to grant the leave may accept such certificate as it may deem sufficient.

SECTION IV—CERTIFICATE OF ADMISSIBILITY.

Gazetted Government servants.

21. Leave will be sanctioned to a gazetted Government servant only after its admissibility has been certified by the Audit Officer who has been auditing his pay.

Non-gazetted Government servants.

22. Before leave is sanctioned to a non-gazetted Government servant the authority competent to grant the leave should either consult the leave account referred to in rule 1, and satisfy himself that the leave is admissible, or obtain a certificate to that effect from the officer entrusted with the attestation of the entries in the leave account.

Government servants in foreign service.

23. In the case of a Government servant on foreign service, leave should not be sanctioned until the Audit Officer who is responsible for the recovery of the leave and pension contribution has certified the amount of leave and the leave-salary admissible.

SECTION V—GRANT OF LEAVE.

General.

Priority of claims to leave.

24. The grant of leave at a particular time cannot be claimed as a right by a Government servant. In exercising their discretion under these rules, authorities competent to grant leave shall have regard to the following considerations:—

(*a*) The exigencies of the service.

(*b*) The Government servants who can, for the time being, best be spared.

(*c*) The amount of leave due to the various applicants.

(*d*) The amount and character of the service rendered by each applicant since he last returned from leave.

(*e*) The fact that any such applicant was compulsorily recalled from his last leave.

(*f*) The fact that any such applicant has been refused leave in the public interests.

Grant of leave to a Government servant who is unlikely to be fit to return to duty.

25. When a medical committee in India has reported that there is no reasonable prospect that a particular Government servant will ever be fit to return to duty, leave should not necessarily be refused to such Government servant. It may, if due, be granted on the following conditions by the local Government in the case of gazetted Government servants and by the head of the department concerned in the case of non-gazetted Government servants:—

(*a*) If the medical committee is unable to say with certainty that the Government servant will never be fit for service in India again, leave not exceeding twelve months in all may be granted. Such leave should not be extended without a further reference to a medical committee.

(*b*) If the medical committee declares the Government servant to be completely and permanently incapacitated for further service in India, the Government servant should, except as provided in clause (*c*) below, be invalided from the service, either on the expiration of the leave already granted to him, if he is on leave when examined by the committee, or, if he is not on leave, from the date of the committee's report.

(*c*) A Government servant declared by a committee to be completely and permanently incapacitated may, in special cases, be granted leave, or an extension of leave, not exceeding six months as debited against the leave account, if such leave be due to him. Special circumstances justifying such treatment may be held to exist when the Government servant's breakdown in health has been caused in and by Government service, or when the Government

in

servant has taken a comparatively small amount of leave during his service or will complete at an early date an additional year's service for pension.

Grant of leave to a Government servant who ought to be dismissed.

26. Leave should not be granted to a Government servant who ought at once to be dismissed or removed from Government service for misconduct or general incapacity.

Procedure when a Government servant is not allowed to return to duty after leave.

27. If, in a case not covered by rule 26, the local Government decides before a Government servant whom it has the power to remove from the service departs from India on leave that he shall not be permitted to return to duty in India, it must inform him to that effect before he leaves India.

28. If, when a Government servant is about to depart from India on leave, it is necessary to consider the propriety of removing him for incapacity, whether mental or physical, which is of such a nature that it is impossible to decide, before he leaves India, whether it will be permanent or temporary; or if for any reason it is considered inexpedient that a Government servant on leave should return to India; a full report of the circumstances must be made by the local Government to the India Office in time to enable the Secretary of State in Council to take any necessary measures before the Government servant would in the ordinary course be permitted to return to duty. The report should reach the India Office at latest three months before the end of the Government servant's leave.

29. The abolition of the substantive post of a Government servant absent on leave out of India should be immediately communicated to the Secretary of State.

Cases in which a copy of the medical statement of a case must be forwarded to the High Commissioner.

30. When leave on medical certificate has been granted to a Government servant or, in the case of a military officer in civil employ, when the grant of such leave has appeared in orders, if such Government servant or military officer proposes to spend his leave in Europe, North Africa, America or the West Indies, the local Government must, without delay, forward a copy of the medical statement of the case to the High Commissioner for India.

31. Leave not due shall not be granted on medical certificate under clause (a) (ii) of Fundamental Rule 104 for a period extending beyond the term of a Government servant's contract, unless or until it has been decided to retain him in permanent employment.

SECTION VI—DEPARTURE ON LEAVE.

Procedure when departing on leave out of India.

32. Every Government servant proceeding on leave out of India should procure from the audit officer and take with him a copy of the memorandum of information issued for the guidance of Government servants proceeding on leave out of India. If the leave has been granted on a medical certificate, he must take a copy of the medical statement of his case also.

33. A Government servant taking leave out of India must, if so required by the Audit Officer, report his embarkation to that officer in F.R. Form 7 from the first port at which the vessel touches.

SECTION VII—PAYMENT OF LEAVE-SALARY.

(a) Leave in India.

34. Leave-salary is payable in India after the end of each calendar month.

35. A gazetted Government servant on leave in India may draw his leave-salary at any office of payment in India; but he cannot begin to draw it without producing a leave-salary certificate in F.R. Form 2 from the Audit Officer who audited his pay before he

proceeded on leave. If during leave he desires to change the office at which he receives the payment of his leave-salary, he should obtain a new certificate from the Audit Officer within whose jurisdiction his leave-salary was last paid.

Gazetted Government servants.

35. If a gazetted Government servant signs his bill himself he must either appear in person at the place of payment or furnish a life certificate signed by a responsible officer of Government or some other well-known and trustworthy person. If he draws his leave-salary through an authorized agent, the agent, whether he has or has not the power-of-attorney, must either furnish a life certificate as aforesaid, or execute a bond to refund overpayments. A life certificate may be given periodically, a bond being given to cover intermediate payments not supported by the life certificate.

37. The provisions of rules 35 and 36 apply also to gazetted Government servants who spend their leave out of India but reside in Asia, and who draw their leave-salary in rupees in India under Fundamental Rule 91.

Note.—A certificate of residence should be furnished to the Audit Officer by a Government servant who draws his leave-salary at the rupee rate.

Non-gazetted Government servants.

38. The leave-salary of a non-gazetted Government servant on leave in India or on leave out of India cannot be drawn in India, except over the signature of the head of his office; and the latter is responsible for any overcharge.

In the case of a non-gazetted officer whose substantive appointment is not a local appointment, but simply that of a member of a Provincial staff, leave allowances should be drawn either at the Presidency town by the head of his department or at the place where his salary was last disbursed, and in the latter case, if he was not himself the head of an office, he should be regarded as attached to the office in which he was last employed, and the head of that office should draw the leave allowances and be regarded as responsible for overcharges.

(*b*) LEAVE OUT OF INDIA.

Leave-salary certificate and Colonial leave-salary warrant.

39. (a) A Government servant proceeding on leave out of India and intending to draw his leave-salary while on leave should obtain a leave-salary certificate from the Audit Officer who audited his pay before he proceeded on leave—

(1) in F.R. Form No. 2, if he intends to draw his leave-salary at the Home Treasury;

(2) in the shape of a leave-salary warrant in Form No. I, if he is proceeding to a Colony and intends to draw his leave-salary there.

(*b*) If during any period of leave on average pay, a gazetted Government servant wishes under the provisions of Fundamental Rule 91, to draw his leave-salary in India, a separate leave-salary certificate should be issued in respect of that period under the provisions of rule 35.

40. When a Government servant proceeds out of India on leave other than extraordinary leave, the Audit Officer who audits his pay will, as soon as the leave is gazetted or otherwise notified, send him a letter in F.R. Form No. 4, with enclosures in F.R. Form No. 5 requiring him to call at his office or give the necessary information.

Note.—If a Government servant sent home to Europe as a lunatic is granted leave, a leave-salary certificate will be prepared, if necessary, by the Audit Officer who audits his pay as the data available to him, and forwarded to the High Commissioner for India at the earliest possible date.

41. If the Government servant calls at the Audit Office he will be paid up to the date of his relief and will be given a leave-salary certificate in the appropriate form as prescribed in rule 39. In the case of a Government servant proceeding to a Colony, the Colonial leave-salary warrant (Form No. I) will be issued in triplicate. The

original, bearing the Government servant's signature, will be forwarded by the Audit Officer to the Colonial authority concerned, the duplicate to the High Commissioner for India and the triplicate will be made over to the Government servant concerned.

Note—(1) If the Government servant takes a certificate under clause (*b*) of rule 39 he will not be paid up to the date of relief but will be allowed to draw his pay and allowances for the broken period of the month at the commencement of the next month along with the leave salary for the rest of the month.

Note.—(2) A Government servant serving in a vacation department permitted to combine vacation with leave under the provision of Fundamental Rule 82 (*c*) may draw his vacation allowance from the Home Treasury.

42. If the Government servant is unable to call at the Audit Office, the Audit Officer will prepare a bill for his pay and allowances from the end of the month preceding that of his making over charge to the day before his leave commences, and forward it with the leave-salary certificate to the office at which the Government servant draws his pay, for delivery to the Government servant according to the instructions in F.R. Form No 6.

Note (1) under rule 41 applies here also

43. When a Government servant proceeds on extraordinary leave out of India, or on leave on average pay or half average pay out of India during which he does not propose to draw leave-salary, or when a Government servant is given a colonial leave-salary warrant, he should be given a certificate of leave in Form No. II. This certificate has to be presented by the Government servant to the High Commissioner for India if he is on leave in Europe, North Africa, America or the West Indies and applies for extension of leave, or for permission to return to duty or for a last-pay certificate before returning to duty.

44. When a Government servant proceeding on leave to Europe is compelled to leave without a leave-salary certificate or a certificate of leave, the requisite document will be forwarded to him and a duplicate copy sent to the High Commissioner at the earliest possible date.

SECTION VIII—RETURN FROM LEAVE.

45. A gazetted Government servant, on return from leave, must report his return to Government. A chaplain must report his return to the Bishop of his diocese also.

46. A Government servant returning from leave is not entitled, in the absence of specific orders to that effect, to resume as a matter of course the post which he held before going on leave. He must report his return to duty and await orders. He, must, if necessary, also submit to such delay as may be required in the interest of the public service.

Note—Controlling officers should provide for the expected return of Government servants from leave by seeing that the Government servants to be relieved are at headquarters in due time to give over charge.

Return to duty

47. (*a*) Before returning to duty, a Government servant who has drawn his leave-salary in India should obtain a last-pay certificate from the Audit Officer, within whose jurisdiction his leave-salary was last paid, and deliver it to the Audit Officer who audits his pay. Without such a certificate he cannot obtain payment of any arrears of leave-salary or pay due to him.

(*b*) A Government servant who has been on leave in Europe must, on return to India, deliver to the Audit Officer, the last-pay certificate obtained by him from the High Commissioner, before he can obtain payment of any arrears of leave-salary or pay due to him. A Government servant who has drawn his leave-salary on a warrant must deliver his copy of the warrant which will serve as a last-pay certificate.

ANNEXURE II—PART II.

Rules made by the Governor-General in Council under Fundamental Rule 74 (5).

LEAVE PROCEDURE TO BE FOLLOWED ELSEWHERE THAN IN INDIA.

REPORT OF ARRIVAL IN THE UNITED KINGDOM.

1. A Government servant taking leave in the United Kingdom must report his arrival in that country to the High Commissioner for India.

PAYMENT OF LEAVE-SALARY.

Payment at the Home Treasury.

2. No Government servant can begin to draw leave-salary from the Home Treasury until he has presented to the High Commissioner a leave-salary certificate in such form as the Auditor-General may prescribe.

4. Payment will be made, at the option of the Government servant drawing leave-salary, by any of the following methods:—

(*b*) To his banker or other agent, duly authorized under power-of-attorney, on production of a life certificate duly filled up and executed. In cases where the banker has guaranteed the Secretary of State or the High Commissioner against loss consequent upon dispensation with proof of existence, a life certificate is unnecessary.

Note.—A supply of life certificate forms may be obtained from the High Commissioner.

(*c*) To the presenter of a payment form comprising a receipt and a life certificate, both duly completed by the Government servant.

Note.—If the Government servant intimates to the High Commissioner his election of this method, he will be regularly supplied with the requisite payment forms as the due date of issue approaches.

Payment in a Colony.

5. No Government servant can begin to draw leave-salary from a Colonial Treasury until a warrant in form I has been issued in his favour. Such warrants will be issued in triplicate. The original, bearing the Government servant's signature, will be forwarded by the issuing authority to the Colonial authority concerned; the duplicate to the High Commissioner; and the triplicate will be retained by the Government servant. Payment of leave-salary will not be made unless the Colonial authority is in possession of the original and the Government servant of the triplicate of the warrant.

6. Each payment of leave-salary must be endorsed upon the back of both the original warrant and the triplicate, and an acknowledgment of receipt must be endorsed by the Government servant upon the back of both copies.

7. When no space for the entry of endorsements of payment remains upon the back of a warrant, or when a warrant is lost or destroyed, a fresh warrant will be issued by the original issuing authority on the application of the Government servant submitted through the Colonial disbursing officer.

8. If the transfer from one Colony to another of payment of the leave-salary of a Government servant is sanctioned by the Colonial authorities, such transfer must be reported by the Government servant to the Governor-General in Council and to the High Commissioner.

Transfer of payment from the Home Treasury to a Colony and vice versa.

9. (*a*) If a Government servant who is drawing his leave-salary in a Colony desires to transfer payment to the Home Treasury, he can do so on production of his warrant to the High Commissioner.

(*b*) If a Government servant who is drawing his leave-salary from the Home Treasury desires to transfer payment to a Colony, he must obtain a warrant in form I from the High Commissioner, who will forward the original of the warrant to the Colonial authority concerned.

(*c*) A transfer sanctioned under clause (*a*) or (*b*) of this rule must be reported by the Government servant to the Governor-General in Council.

EXTENSION OF LEAVE.

General rule.

10. A Government servant absent from India on leave who desires an extension of his leave must make application for such extension not less than three months before the expiry of his leave. An application made within three months from such expiry will not be considered unless special reasons for consideration exist.

Applications by Government servants on leave in Europe, North Africa, America or the West Indies.

11. An application for extension of leave by a Government servant on leave in Europe, North Africa, America or the West Indies must be made to the High Commissioner. Unless the extension is desired on medical grounds or is for a period of not more than fourteen days, the application must be accompanied by evidence that the Government on whose cadre the Government servant in borne has been consulted and has no objection to the extension. It is in exceptional cases only that the High Commissioner will grant an extension without the production of such evidence, and then for such period only as may be necessary to obtain the orders of the Government concerned, which will be sought by telegraph at the applicant's expense.

12. If a Government servant on leave in any of the localities named in rule 11 desires, on medical grounds, an extension for a longer period than fourteen days, he must satisfy the Medical Board at the India Office of the necessity for the extension. In order to do so, he must, as a general rule, appear at the India Office for examination by the Board; but in special cases, and particularly if he be residing at a distance of more than 60 miles from London, a certificate in a form to be obtained from the High Commissioner may be accepted if signed by two medical practitioners. A certificate obtained outside the United Kingdom and signed by foreigners must be attested by Consular or other authority as bearing the signatures of qualified medical practitioners.

13. If a Government servant on leave in any of the localities named in rule 11 desires, on grounds other than medical, an extension of leave granted on medical certificate, he must satisfy the Medical Board at the India Office, by the procedure described in rule 12, that he has recovered his health.

Applications by Government servants on leave elsewhere out of India.

14. An application for extension of leave by a Government servant on leave out of India elsewhere than in the localities named in rule 11 must be made to the authority which granted the leave.

15. If an application made under rule 14 is for an extension of leave on medical certificate, it must be accompanied by a certificate from two medical practitioners in the following form:—

"We hereby certify that we have carefully examined C.D. of the _____ who is suffering from _____ and we declare upon our honour that, according to the best of our judgment and belief, he is at present unfit for duty in India, and that it is absolutely necessary for the recovery of his health that his present leave, which will expire in India on _____, shall be extended by _____ months / weeks."

Date _____

Place _____

The certificate must describe in full detail the nature of the disease and the present condition of the Government servant. If it be signed by foreigners, it must be attested by Consular or other authority as bearing the signatures of qualified medical practitioners.

Certificate of leave necessary before extension can be granted to a Government servant who is not in possession of a leave-salary certificate.

16. An extension of leave will not be granted by the High Commissioner to a Government servant to whom no leave-salary certificate has been issued, or who has exchanged his leave-salary certificate for a warrant before leaving India, unless he produces a certificate of leave in form II.

RETURN FROM LEAVE.

Permission to return.

17. A Government servant who is required, by or under fundamental rule 71, to produce a medical certificate of fitness before returning to duty, must obtain permission to return to duty before so returning.

18. If the Government servant desiring to return is on leave in any of the localities named in rule 11, his application must be made to the High Commissioner and he must satisfy the Medical Board at the India Office of his fitness to return at least two months before the expiry of his leave. In order to do so, he must follow the procedure prescribed in rule 12. When the Medical Board has been satisfied, the High Commissioner will grant permission to return.

19. If the Government servant desiring to return is on leave out of India elsewhere than in the localities named in rule 11, his application must be made to the authority which granted his leave and must be accompanied by a certificate of fitness in the prescribed form.

20. Permission to return cannot be granted to a Government servant to whom no leave-salary certificate has been issued, or who has exchanged his leave-salary certificate for a warrant before leaving India, until he produces a certificate of leave in form II.

21. Before returning to duty, a Government servant on leave in Europe must obtain a last-pay certificate from the High Commissioner. A last-pay certificate cannot be granted to a Government servant to whom no leave-salary certificate has been issued unless he produces a certificate of leave in form II. A Government servant who has drawn his leave-salary on a warrant must, on return to India, deliver to the Audit officer his copy of the warrant, which will serve as a last-pay certificate. Last-pay certificate.

ANNEXURE II—PART III.

Subsidiary Rules under Rule 74 (a) (iv).

MAINTENANCE OF RECORDS OF SERVICE.

GAZETTED GOVERNMENT SERVANTS.

1. A record of the services of each gazetted Government servant is maintained by the Audit officer who usually audits his pay or who accounts for the contribution recovered from the foreign employer in the case of a Government servant lent to foreign service.

NON-GAZETTED GOVERNMENT SERVANTS.

2. *Duty of the head of the office.*—Except in the case of members of the Police force of rank not higher than that of head constable and inferior servants of all sorts, a service book in Fundamental Rule Form No. 10 should be opened for every non-gazetted Government servant at his own cost, on his being appointed substantively to a permanent post in Government service for the first time. It should be kept in the custody of the head of the office in which he may be serving and transferred with him from office to office. It is the duty of the head of the office to see that all entries are duly made and attested.

NOTE.—Service books are also maintained for temporary clerks and draughtsmen in the Public Works Department.

3. *Duty of non-gazetted Government servants.*—It is the duty of every Government servant to see that his service book is properly maintained and that all erasures in it are attested. The head of the office will allow a Government servant to examine his service book, should he at any time desire to do so.

4. *Certificates of character not to be entered.*—Personal certificates of character should not be entered in a service book.

5. *Kind of punishments.*—When a Government servant is reduced to a lower post, dismissed or removed from service or suspended from employment, the reason for the reduction, dismissal or suspension, as the case may be, should always be briefly stated thus: 'Reduced' for

inefficiency,' 'Reduced owing to revision of establishment,' etc. The head of the office should make efficient arrangements for these entries being made with regularity. The duty should not be left to the non-gazetted Government servant concerned.

Copies of all orders regarding reduction, dismissal or suspension should be filed with the service book in envelopes under the private seal of the owner of the register.

6. *The maintenance of service books.*—In the service book every step in a Government servant's official life, including temporary and officiating promotions of all kinds, increments and transfers and leave of absence taken, should be regularly and concurrently recorded, each entry being duly verified with reference to departmental orders, pay bills and leave statements and attested by the head of the office. If the Government servant is himself the head of an office, the attestation should be made by his immediate superior. Officiating and temporary service and leave taken prior to first substantive appointment to a permanent post should also be recorded in the service book and duly attested after verification. The date of birth should be verified with reference to documentary evidence and a certificate recorded to that effect, stating the nature of the document relied on. In the case of a Government servant the year of whose birth is known but not the date, the 1st July should be treated as the date of birth. When both the year and the month of birth are known, but not the exact date, the 16th of the month should be treated as the date of birth. Finger-prints of the Government servant should be obtained in the column headed "Personal marks of identification" in the service book itself. The impressions should not be taken on separate slips of paper and pasted to the service book.

7. *Transfer to another office.*—When a non-gazetted Government servant is transferred, whether permanently or temporarily, from one office to another, the necessary entry of the nature and reason of the transfer should be made in his service book in the office from which the Government servant is transferred, and the book, after being duly verified to date and attested by the head of that office, should be transmitted to the head of the office to which the Government servant has been transferred, who will thenceforward have the book maintained in his office. If he should find any error or omission in the book on receipt, he should return it to the forwarding officer for the purpose of having the error rectified or the omission supplied before the book is taken over by him. The service book should not be made over to the non-gazetted Government servant who has been transferred.

8. *Transfer to foreign service.*—If a non-gazetted Government servant is transferred to Foreign service, the head of the office or department should send his service book to the Audit officer who will return it after noting therein under his signature, the orders sanctioning the transfer and other necessary particulars in connexion with the transfer. On the Government servant's proceeding on leave from Foreign service or on his re-transfer to the British service, his service book should again be sent to the Audit officer for recording all necessary particulars connected with the leave or re-transfer to British service.

9. *Transfer to a gazetted post.*—When a non-gazetted Government servant is officiating in a gazetted post, his service book should be kept by the head of the office to which he permanently belongs, but when he is confirmed in such a post, his service book should be forwarded to the Audit officer who maintains the record of his services under rule 1.

10. *Service rolls for the Police and inferior servants.*—In the case of members of the police force of rank not higher than head constables, there shall be kept up for each district by the District Superintendent of Police a service roll in English in which shall be recorded the date of the enrolment of each person in the constabulary; his caste, tribe, village, age, height and marks of identification when enrolled; his rank, promotion, reduction or other punishment; his absence from duty on leave or without leave; and every other incident in his service which may involve forfeiture of portions of his service or affect the amount of his pension. The roll should be checked by the vernacular roll and order book and the punishment register, and every entry in it should be signed by the District Superintendent of Police.

From this roll the necessary statement of service of every applicant for pension shall be prepared, additional proofs being collected, in respect of any service rendered before enrolment in the constabulary which the applicant may be entitled to count.

11. Similar service rolls should be maintained for inferior servants of all sorts.

12. *Annual verification.*—The service books in each office should be taken up for verification in January of every year by the head of the office who, after satisfying himself that the services of the Government servant concerned are correctly recorded in his service book in conformity with the above instructions, should record thereon a certificate in the following words over his signature.—"Services verified up to (date) from (pay bills, acquittance rolls and similar records to be specified by reference to which the verification was made)." The head of the office in recording the annual certificate of verification, should, in the case of any portion of service that cannot be verified from office records, distinctly state that for the excepted periods (naming them), a statement in writing by the Government servant as well as a record of the evidence of his contemporary employers is attached to the book.

13. *Periodical inspection.*—It is the duty of officers inspecting subordinate offices to inspect the service books maintained there. They should see that they are maintained up to date, that entries are properly made and attested, that verification has been properly carried out and the necessary statements and evidence secured and verification certificates have been properly recorded by the heads of the offices.

14. *Custody of service books.*—The service book may be given up (i) to a Government servant, only when no pension is given to him on resignation or discharge without fault, an entry being first made therein to this effect or (ii) in the event of a Government servant's service terminating by his death, to his relatives on application. Should no application be made within six months of the death of the Government servant, the service book may be destroyed.

15. When a Government servant's service is terminated by dismissal, his service book should be retained for a period of five years or until the Government servant's decease, whichever is earlier, after which it will be destroyed.

16. The service book of a Government servant who has been dismissed and who is afterwards reinstated should, on requisition, be returned to the head of the office in which he is re-employed.

A similar course should be adopted when a Government servant has been discharged without fault or resigns and is subsequently re-employed.

Notes.

1. Distinguish leave granted on medical certificate from leave granted without medical certificate, and if the leave, though technically of the latter description, was granted in consequence of the production of a medical certificate, mention the fact.

2. Except in the case of Chaplains, leave-salary should be noted in whole rupees only a month (fractions being omitted and the next higher rupee taken where the fraction exceeds half) and not in pounds a year; and in entering "the rate of leave-salary" it should be stated, in the first place, without reference to the maximum or minimum applicable, and then, if a maximum or minimum applies or if the leave-salary is such that a future change in the current rate of exchange may render a maximum or minimum applicable, the words should be added "subject to a maximum (or minimum) of," etc.

3. The ordinary rate of conversion will be the rate of exchange for telegraphic transfers from Calcutta on London on the day, on which each monthly payment becomes due, subject to a minimum rate of 1s. 6d. per rupee in respect of leave-salary drawn on account of the first four months of leave on average pay and of 1s. 8d. per rupee in other cases. The maximum rates of leave-salary are those prescribed in Fundamental Rule 39 and the minimum rates those prescribed in Fundamental Rule 90.

4. It must be shown whether a Government servant is entitled to the full amount of leave permitted by the rules.

5. In line 7 the Articles of the Fundamental or other Rules under which the advance is made should be mentioned.

6. The date on which any Government servant will, during the currency of leave, complete the term of service, or attain the age after which by any rule he is required to retire from the service, should be shown in line 10.

7. These rules apply also to leave-salary certificates granted to non-gazetted Government servants when they proceed on leave out of India and draw their leave-salary out of India.

To

Sir,

With reference to the order noted in the margin, granting you leave out of India, I have the honour to say that it is necessary for you to obtain from me a leave-salary certificate to enable you to draw your leave-salary.

Otherwise, I shall cause the leave salary certificate to be delivered to you, and the pay and allowances to be paid through the officer from whom you draw your pay and allowances.

6. If you wish to draw your leave-salary in India under the provision of paragraph 5 above, you should either grant your Agents a power-of-attorney or leave your bills ready signed in their custody for presentation as they fall due. A guarantee bond undertaking to refund overpayments should be furnished by your Agents unless they have executed a general bond of indemnity.

(*Note.*—Paragraphs 5 and 6 do not apply to non-gazetted Government servants who have to draw their leave-salary through the Head of the office and should be omitted from the letters addressed to them).

AUDIT ORDER OF THE ACCOUNTS OF THE MADRAS AND SOUTHERN MAHRATTA RAILWAY EMPLOYEES' URBAN BANK, LIMITED, FOR 1921-22.

The accounts of the Madras and Southern Mahratta Railway Employees' Urban Bank, Limited, No. 62, for the co-operative year ending with 30th June 1922 as audited by M.R.Ry. U. L. Venkatanarasayya, City Auditor, are passed. Statements of (1) Receipts and disbursements, (2) Profit and loss and (3) Assets and liabilities, as furnished by him, are appended.

1. *General.*—The bank continues to show progress in all respects as usual.

2. *Members, share capital and borrowings.*—The number of members rose from 6,587 to 7,081 and their share capital from Rs. 1,34,625 to Rs. 1,61,850 and deposits from Rs. 2,31,906 to Rs. 2,66,388. Out of this sum, Rs. 68,272 has come from members, Rs. 82,985 from non-members as fixed deposit while Rs. 40,958 is obtained from Fidelity Guarantee and Mutual Retirement Benefit Funds of the society. Rupees 8,144 belongs to employees as Security and Provident Funds. A sum of Rs. 44,023 has been subscribed by the Madras and Southern Mahratta Railway Company. It is a matter for congratulation that the Fidelity Guarantee and Mutual Retirement Benefit Funds created for the convenience and advantage of each of its members as resort to them have become a rapidly growing contribution to the working capital of the bank. The new deposit made by the Madras and Southern Mahratta Railway Company is likewise a good additional source to it. This deposit also testifies the patronage and confidence the bank commands in the hands of their employers of the members of the bank.

3. *Loans.*—Four thousand four hundred and sixteen loans for Rs. 5,40,747 were disbursed during the year as against 3,639 loans for Rs. 3,42,035 in the previous year. A sum of Rs. 4,72,874-10-5 was outstanding against members on the last day of the year as against Rs. 3,91,096 8-10 at the end of the previous year. The overdue amount of loans at the end of the year was Rs. 5,417-5-2 concerned in 235 cases as against Rs. 3,289 concerned in 248 loans in the previous year. Overdue interest was Rs. 307-11-6 as against Rs. 425-4-3 in the previous year. The bank lends only to such members who have subscribed to the Provident deposit instituted by the Company and that only up to a maximum of the sum to the credit of the member in the deposit. This not only ensures the safety of the sums lent but also helps the members to avail themselves of the advantages of the accumulated provident deposit with the Company.

4. *Fidelity guarantee liability of the bank.*—The bank undertakes to guarantee to the Railway Company the fidelity of its members under by-law 46 on their paying a premium of 2 per cent per annum of the amount of the guaranteed amount. The premia so paid are accumulated into a separate fund used by the bank for its transactions on payment of a reasonable rate of interest. Losses incurred by the fidelity branches is the first charge on this fund. A portion of the premium is refundable if the amount to the credit of the funds permit, according to a graduated scale fixed with reference to the age of the guarantee undertaken on behalf of each member when that guarantee is cancelled or withdrawn, the member having the option to do so with a short notice. There was an opening balance of Rs. 22,851 to the credit of this fund and an addition of Rs. 3,768 was made by the premia and interest, while a sum of Rs. 1,951 was refunded to 27 members who had

their guarantees cancelled. The amount thus outstanding to the credit of the fund on 30th June 1922 was Rs. 75,040; The fidelity guaranteed on that date was Rs. 1,10,350 on behalf of 244 members. The sum to the credit of the fund works out about 2½ per cent of the amount guaranteed.

5. *Mutual Retirement Benefit Fund.*—The bank also manages this fund under by-law 47 to provide for such of its members who choose to subscribe to this fund substantial benefits on their compulsory retirement and in the event of death to their nominees or legal representatives. This fund is also used in the working capital of the bank carrying a reasonable rate of interest. Two hundred and eighty-two members have so far availed themselves of the advantages afforded by this by-law, 70 out of them having enlisted themselves in the year. The amount outstanding in the fund rose from Rs. 8,373 to Rs. 16,028. A sum of Rs. 1,031 out of it was added from the common good fund out of the profits of the previous year and its growing popularity is noted with pleasure. It is hoped many more members will soon take advantage of this benevolent activity of the bank.

6. *Profits.*—The bank earned during the year a net profit of Rs. 19,707-6-11 against Rs. 16,263-6-8 in the previous year. Under by-law 26 one-fourth of this amount, viz., Rs. 4,926-13-6 should be carried to the reserve fund. The balance is available for distribution for dividend and common good fund subject to the maxima laid down in the by-laws and the balance if any left thereafter, should be added to reserve fund.

7. *Reserve fund.*—The total amount to the credit of the reserve fund at the opening of the year was Rs 33,904-10-6 with the addition now ordered it will rise to Rs. 38,831-8-0. The Madras Central Urban Bank has allowed an interest of Rs. 603-3-10 on the reserve fund investment with it. The bank is therefore requested to remit Rs. 4,323-9-8 to the Madras Central Urban Bank.

No person will, however be allowed to deposit and bid jointly at the sale.

The deposit of unsuccessful bidders will be returned to them at the conclusion of the sale.

4. The sales will be subject to confirmation by the Conservator of Forests who does not bind himself to accept the highest or any bid. It is possible that the Conservator of Forests will himself be present at the time of sale and the result of sale may, therefore, be announced on the spot.

6. Each purchaser shall, immediately after a lot is knocked down to him, sign his name at foot of the sale list in the column provided for the purpose. Such signature shall be held as an admission on his part of having bought the lot.

6. Immediately after the sale, each purchaser, if his offer has been accepted by the Conservator of Forests for that lot, will be furnished with a memorandum showing the total amount due by him and shall pay 50 per cent of the same, less the earnest deposit referred to above, into any of the Government treasuries at Vellore or Tiruppattur or remit it into the Imperial Bank of India, Madras, or Vellore payable to the Accountant-General in Madras, before the 15th January 1923 and the balance before 11th March 1923 or before removal of the sandalwood purchased from the depot premises whichever is earlier.

7. Should any purchaser fail to make the payment as indicated above on the due date, the sandalwood purchased by him will be resold at his risk, the earnest deposit made by him forfeited to Government, and any loss occurring by such resale recovered from him as if it were arrears of land revenue. Should however any profit arise by such resale, the defaulter shall not participate in it.

8. The purchaser must take delivery of the sandalwood before 11th March 1923 but he will not be allowed to remove any wood until payment has been made in full for the entire quantity of wood purchased. If delivery is not taken within the time allowed, a demurrage of Rs. 10 per day will be charged until such time as the wood is removed from the depot premises—vide paragraph 11 infra.

9. On presenting the chalan to the officer in charge of the depot for the payment of value of the sandalwood purchased by each merchant, the wood will be weighed as it is, in the depot, in the presence of the purchaser or his *accredited* agent by an officer of the department not lower in rank than that of a Forest Ranger. No further cleaning or classification of the sandalwood will be undertaken by the Forest Department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department must be accepted. Should any deficiency occur after weighment, the value of the deficiency will be refunded to the purchaser or if an excess is found it shall be paid for by him.

10. The purchaser shall bear the cost of weighment at the time of delivery.

11. The purchaser will be allowed reasonable time not exceeding beyond 11th March 1923 to remove his wood after weighment and delivery. During this period the wood will be kept in the depot at his risk and loss. If the purchaser fails to remove all the wood within the period, any sandalwood remaining unremoved, will become the property of Government.

On the expiration of THE MALABAR (COMPLETION OF TRIALS) ORDINANCE, 1922, and notwithstanding such expiration, an appeal shall lie in any case in which an appeal would have lain but for such expiration and every such appeal and every appeal pending at the date of such expiration shall be heard and decided by the High Court in cases in which under the said Ordinance an appeal would have lain to the High Court and in other cases to the Sessions Judge or an Additional Sessions Judge, South Malabar.

STATEMENT OF OBJECTS AND REASONS.

It is anticipated that when the special courts constituted under the Malabar (Restoration of Order) Ordinance, 1922, for the purpose of dealing with offences connected with the Mappilla rebellion in Malabar during 1921–22 cease to exercise jurisdiction under the Malabar (Completion of Trials) Ordinance, 1922, there will still be a large number of offenders remaining to be tried by the ordinary courts; and the trial of all such offenders before a Sessions Judge, preceded by a preliminary enquiry before a magistrate, will not only render it necessary to appoint additional magistrates and judges for whom it will be difficult to arrange adequate court accommodation, but will also protract the proceedings over a considerable period and will materially delay a return to entirely normal conditions in the district. It is therefore expedient and desirable to pass an emergency Act on the lines of section 30 of the Code of Criminal Procedure, 1898, empowering the Government to invest selected first-class magistrates with enhanced powers

2. Further when the special judges and special magistrates cease to exercise jurisdiction under the Malabar (Completion of Trials) Ordinance, 1922, they will have no 'successors in office' within the meaning of section 389 of the Code of Criminal Procedure, 1898. For the disposal of subsidiary matters which may rise in connexion with the execution of sentences passed by them it is deemed necessary that certain officers should be declared to be their successors in office.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

1921-22 ൽ മലബാറിൽ നടന്ന മാപ്പിള ലഹള സംബന്ധിച്ചുള്ള കേസുകൾ വിസ്തരിക്കുന്നതിനായി 1922 ലെ മലബാർ (സമാധാന പുനഃസ്ഥാപന) അടിയന്തിര നിയമപ്രകാരം ഏർപ്പെടുത്തപ്പെട്ട പ്രത്യേക കോടതികൾ 1922 ലെ മലബാർ (വിചാരണ പുനർനിരൂപണ) അടിയന്തിര നിയമപ്രകാരം വിചാരണാധികാരം നടത്തുന്നതു നിന്നുപോകുമ്പോൾ, സാധാരണ കോടതികളിൽ വിസ്തരിക്കേണ്ടതായി ഒട്ടു വളരെ കേസുകൾ ബാക്കിയുണ്ടാകുമെന്നു വിചാരിക്കുന്നു. ആയക കേസുകളെയെല്ലാം ഒരുമിച്ചു ഒരു മജിസ്ട്രേട്ടിന്റെ മുമ്പിൽ പ്രാരംഭ അന്വേഷണം നടത്തിയശേഷം ഒരു സെഷൻ ജഡ്ജിയുടെ മുമ്പിൽ വിസ്തരിക്കേണ്ടതാണെന്നുള്ള വസ്തുത അതിനായി കൂടുതൽ മജിസ്ട്രേട്മാരെയും ജഡ്ജിമാരെയും നിയമിക്കേണ്ടിവരികയും തൽഫലമായി കോടതിസ്ഥലം ഏർപ്പെടുത്തി

കൊടുക്കുന്നതിനും പ്രയാസം നേരിടുകയും ചെയ്യുമെന്നതിനും പുറമെ നടപടികൾ വളരെ കാലത്തേക്ക് കീർഘിച്ചുകിടക്കുകയും ഡിസ്ട്രിക്ടിൽ ഉണ്ടായിട്ടുള്ള സാധാരണ സ്ഥിതി മിയ്ക്കുന്നതിനും അത്യുല്പാദനമായ കാലതാമസം നേരിടുകയും ചെയ്യുന്നതാകുന്നു. അയതുകൊണ്ട് നിരത്തെടുക്കപ്പെട്ടുകിടക്കുന്നതായ "ക്ലാസ്" മജിസ്ട്രേട്ടുമാർക്ക് കൂടുതൽ അധികാരം കൊടുത്തുകൊടുപ്പാൻ ഗവർണ്മെന്റിനെ അധികാരപ്പെടുത്തുന്നതിനായി 1898 ലെ ക്രിമിനൽ നടപടി നിയമം 30 - ാം വകുപ്പിൽ ചേർക്കപ്പെടുന്നതിനുള്ള ഒരു കരടിയന്ത്രമായുള്ള ഈ പാസ്സാക്കുന്നതിനുള്ള യുക്തവും ആശാസ്യവും ആയിരിക്കുന്നു.

2. കൂടാതെയും, 1922 ലെ മലബാർ (വ്യാഖ്യാന പൂർത്തീകരണം) കരടിയന്ത്രം നിയമ പ്രകാരം പ്രത്യേക ഡിവിഷനിലും പ്രത്യേക മജിസ്ട്രേട്ടുമാരും വിചാരണാധികാരം നടത്തുന്നതിനുപോകുമ്പോൾ 1898 ലെ ക്രിമിനൽ നടപടി നിയമം 389 - ാം വകുപ്പിന്റെ അർത്ഥത്തിൽ അവർ യാതൊരു "ഉദ്യോഗപ്രതിയുടെ" ഉണ്ടായിരിക്കയില്ലല്ലോ. അവർ കൽപ്പിച്ച വിധികൾ നടത്തുന്നതു സംബന്ധിച്ചു ഉണ്ടാകാവുന്ന പിൻകാര്യങ്ങൾ തീർച്ചപ്പെടുത്തി നടത്തുന്നതിനും ചില ഉദ്യോഗസ്ഥന്മാർ അവരുടെ ഉദ്യോഗപ്രതിയുടെയാകയിരിക്കുമെന്നു ശ്രദ്ധിക്കുന്നതും ആവശ്യമായി വന്നിരിക്കുന്നു.
